**AUTOMOBILE SALES ARE IMPROVED THIS YEAR BY OVER 50%**

Sale of new automobiles in Michigan was 58 per cent greater during the first seven months of 1934 than during the same period in 1933, records of the department of state show. Used car transactions showed 24 per cent during the same months.  
The statistics were obtained from department records showing the number of certificates of title issued. Thus far in 1934, a total of 91,968 titles were issued on new vehicles or 39,999 more than for the corresponding seven months in 1933. 223,445 titles were issued on used cars as compared with 172,895 in 1933.  
Another interesting fact is the 24 per cent decrease in the number of vehicles that are repossessed. Thus far this year 5,445 cars were repossessed, being 1,524 fewer than last year.  
During the past seven months 845 cars were reported stolen and of this number all but 69 have been reported as recovered. Up to August 1, 1934, a total of 1,114 cars were reported stolen. This decrease in auto thefts is significant when it is realized that 114,398 more vehicles were licensed for operation on August 1 this year.

**Hagenbeck-Wallace Circus Will Show Wednesday, Aug. 22**

"Bigger, brighter, and better than ever," the old stereotype phrase used by circus press agents since the days of P. T. Barnum, has again been chosen the slogan this year, it seems, for the Hagenbeck-Wallace Circus boasts of more new features, more thrilling aerial displays, and more spectacular ground, stage and track numbers than ever before under its banners.  
The circus will show at Highland Park Wednesday, August 22, with a street parade at 11 a. m. as the inaugural event of the day. It will be the first circus parade since 1926.  
The world's greatest wild animal trainer, Clyde Beatty, is again the highlight feature. He appears in person in the largest display of wild and ferocious lions and tigers ever presented in a single display. The act has been augmented this year by the addition of 11 newly imported tigers, and a total of 40 beasts in the act.
