### MICHIGAN BELL TELEPHONE CO.

## AFTER YOU SAY "GOOD-BYE" **DON'T FORGET TO TELEPHONE!**

Students off to college ... friends living out-of-town ... Dad away on a business trip ... you can keep in touch with them easily by telephone. Out-of-town calls are a pleasant means of reaching friends and relatives, hearing their voices and banishing worries.

And Long Distance calls cost surprisingly little. Rates for most Station to Station calls\* are reduced about 15% between 7:00 p. m. and 8:30 p. m., and about 40% after 8:30 p. m'.

\*A Station to Station call is one on which you call a number and talk with anyone who answers. The Long Distance operator will furnish any out-of-town telephone number upon request.

Give Illustrated Talk
Fresh from his expedition to
the Guiana jungles, Dr. Raymond
L. Ditmars, scientist and world's
most famous authority on wild
animals, will come to Detroit on
Sunday, October 7, to give afternoon and evening public illustrated lectures at the Detroit Institute of Arts.
At 3:39 Sunday afternoon Dr.
Ditmars will speak on "Wild Animals and Their Habits." He will
explain how various animals, big
and little adapt themselves to the
various seasons of the year. In the
evening at 8:39, he will discuss
strange and grotesque animals,
under the fittle "Animal Oddities."
Each lecture will be illustrated
with five reels of motion pictures.

Send in your news items.

football season is worry or most parents. Perhaps

boy. But, for the grades and junior bight school, football becomes a hazard.

Most leaders in athletics and physical education believe that the boy should not play the real game until he is in the senior school. And then only when he lis in the best condition as shown by a physician's examination. Every candidate for any school athletic team should be thoroughly exained before being allowed to, join the squad.

As a part of the examination.

the squad.

As a part of the examination some schools are demanding a tuberculin test and an X-ray of the clean test and the test a

under the guise of training.
The coach and the training has a real educational opportunity. Let football be the reliable for valiable lessons in mutrition; the correct diet, the value of milk else, bathing, and the like. The boy will feel the good effects, so utilize his interest in an effort to have him carry over the health practices when the jesson is ended.

Dr. Ireland will discuss food es-sentials for the school child in his next series.

How much will my electric bill be if I use an electric range?"

You can find out exactly by means of this

If you have asked yourself this question—"How much will my electric bill be if I use an electric range?"—and wondered if you could afford to use a range, you need hesitate no longer. Here is a way to find out EXACTLY what your bill will be ... and you do not need to BUY the range. Instead, you can use the range ON TRIAL in your own kitchements it thoroughly under all conditions—cook three meals a day on it—use all your favorite recipes. Then, when you have received your electric bill and found out how much the range costs XOU to operate, when you have become acquainted with its many superiorities, when you have decided whether or not you like it, make your own decision: Keep the range or send it back, whichever you choose. There is no obligation.

Here are the details of the trial plan: We will install angleictric range in your kitchen without initial charge, and let you use it for, aix months, removing it without charge if you do not like it. During this trial period, you pay for the service as registered by your meter, plus a monthly charge of \$1 for the range. If you decide to keep the range, your monthly payments will be applied toward the purchase price. If you decide that you do not want it, the range will be removed at our expense.

Since this trial plan was begun a short time ago, nearly four thousand of our customers have taken advantage of this offer. Send in your application for a trial range today!
