Announcing the Turbocharged

The 15 second Pinto is here and don't have to "get inside" your engine

ere it is . . . the greatest thing that has ppened to driving since the V-8! Add our bocharger to your stock Pinto and you we a super-fun mini-sports-car! The kit is easily installed in 6 to 8 hours with hand tools, retains all the government-required emission control hardware, yet gives your Pinto twice the normal horsepower on the road. Imagine being able to keep up with rosd. Imagine being able to keep up with the V-B's having more than four times your displacement — while retaining your good gas mileage. Now you can have safer high-way driving, with reduced passing exposure time and safe merging with expressway; speed traffic, Our kit makes the Pinte thee free cathly. first really fun car in years price you can afford.
