son those that present school in-struction does not adequately englicy connouls and social conditions. "Most sentor high school curricula are planned larsely for college, whereas only a small percentace of youth go to college. Many young people are not prepared to con-tinue their collection informally as they do not know how to use non-school agencies for such a purpose. "So far as the limitation of juvenile employment the aboiltion of child labor, it is a cause for lucest reloicing. Society must rec-ordize its oblication to provide a substitute for the former activity. The problem has national and state aspects, but much emphasis should

tine ward Harris and the wine own they do not know how in mentry a romantic decoration on the fringers of English listory. Time and again they have exemplified what a none of the most valuable of British qualities, the capacity to combine what seem at first to be opposite virtues, the capacity to be at once conservative and progressive. From the associations of his pictures pure leaded of the placed on the responsibility of pictures and leader the proposed of the responsibility of pictures and leader the proposed of the responsibility of pictures and the proposed of th

sive. From the associations of his be placed on the responsionty of storied family history, one would have expected the late chief to have led the life of a semifendal lord, far from the busile of modern business. But, on the contrary the familiarity of the latest properties of the latest possible of the situation. A longer period of statement of the situation of the latest properties of the situation. A longer period of the situation of the si

We must all become Community-Minded

You have your own little circle of home and personal interests. Your neighbor has his.

But today we must all learn to think and act within a larger circle than formerly. We must become com-munity-minded. We must cooperate. There must be more joining of hands, and less jostling of elbows.

The policy of this bank, as always, will be to work for the general good of this section. For whatever benefits this community, must benefit every deserving individual in it.

There are a great many ways in which the facilities of this bank can be useful to you. You will find us ready to help you to make the best possible use of them.
