Roadside Landscaping To Begin on Woodward

Bids on 1.5 miles of roadside landscaping on Woodward Avenue (US-10) in Bloomfield Hills and Bruningham were opened Thurs-day, September 19, by Murray D. Van Wagoner, state highway com-relationer

Van Wasoner, state highway commissioner.
The project extends from the intersection of Woodward Avenue
and Bradley Lane in Hoomfield
Hills sautherly to the intersect
of Woodward Avenue and Maywood
Road. The total estimated case
the project is \$21,000. Funds are to
be provided by the Federal elve
program.
Woodward Avenue at this point
is of the boulevard type and the
present project includes work on
the center section as well as along
the sides. Plantings in these necess
will be entirely of low growing
shrubs, Plantings in these necess
will be entirely of low growing
shrubs, Plantings in these necess
will be entirely of low growing
shrubs, Plantings in these necess
will be entirely of low growing
shrubs, Plantings in the entering varieties and give way to
higher shrubs and trees in the rear.
The center section will be that of
a ravine with the boulevard runting through the center.
The center section will be covred with a carpet of vines with an
existing of turf to prevent the vines
from growing over the curbs. A
strip of hard surface eight feet
wide along the road-field will give
motoriats an opportunity to drive
off the highway in cases of emergency, Sodding will bogin at this
point and extend for seven more

In the British navy, when an of-ficer is tried by court-martial and found guity, his sword is placed on the table with the point toward the accused, while the hill is placed toward him if he is found not guil-ty.

Perseverance of Officer Rewarded

Having successfully completed a extended through 10 months, C. G. Cole, conservation officer of Branch county, is convinced that there is virtue in perseverance.

Cole began his quest last Dec-ember when he started to trace the whereabouts of Henry Frost, a non-resident who had obtained a resident fishing Reense. He followed numerous leads to locate the man, but could not contact him. At times

Frost was just within his grasp. cated in Branch county and was surprised when reminded of the infraction. He paid \$11.85 in fine and

Fishermen Annoyed by Smelt

Smelt are becoming more and more of a nulsance to commercial fishermen of Fayette and Fairport in Delto County.

in Delto County.

Recause they were unable to keep the smell out of their nels, several gill-not operators have been forced to the up their outfits temporarily. The smelt got caushi by their teeth in the twine of the nels, regardless of the size of the nesh, Note containing numbers of entangled smelt are not as effective as clean nets in taking front or whitefish. The crew of one tug spent an entire day picking dead smelt from a gang of nets and removing snarris caused by the thry flish.

Historic Round-the-World Telephone Has Been Given to National Museum

Immediately ster the around the world telephone conversation between the telephone conversation between the company land Theodore G. Miller, Vice President in charge of that company's Long Lines Department, which took place on April 25, 1935, the Smithsonian Institution asked Mr., Giller, Vice Jrige the telephone instrument he lises on this sociation to the U. S. Astional Mussum in Washington, Mr. Gillor Grossian on May Pinl Growtner, daughter of Alexander Grahadi Bell, larventor of the telephone, and Dr. Giller Consented, and the presentation took place on May Pinl Growtner, daughter of Alexander Grahadi Bell, larventor of the telephone, and Dr. Giller Consented, and the presentation the telephone, and Dr. Giller Consented, and the presentation in the Regents' Robon of the Smithsonian Institution for the cocasion, as also were Dr. Charles G, Abbot, Secretary of the Institution, Dr.

The leaves of Turkish tolike beads (see how it is done in the picture). After the leaves are strung they are packed in bales (see picture) -sometimes as many as 80,000 leaves to the bale.

 W_{e} have on hand at all times for CHESTERFIELD cigarettes upwards of 350,000 bales of Turkish tobacco...

> The pleasing aroma and flavor of Turkish tobacco is almost necessary if you want a good cigarette.

Turkish tobacço is more costly when you take into account that you have to pay 35c a pound duty, but we have to have it to blend with our mild ripe homegrown tobaccos.

It helps make Chesterfields milder, it helps give them better taste. Just try them.
