First Air Mail Stamps in

First Air Mall Stamps in
General Service in 1918
Air mall stamps were first introduced by the Post Office department
in 1018, and since that time there have silvays been available one or
more United States stamps of disdecominations for use in perpaying
eletters and other mail matter dispatched by air mail. The first stamp
to be lauselet says a writer in the
Chicago Tribune, was the 24-cent.
Carmine and bine, placed on saile
in 1018, for use on the route established between New York and Philadelphia or Washington, or any two
of these cities. The same year
a 10-cent green stamp was placed on
saile for use on the route nestinated
and still later in the same year
another change in rate necessitated
a 6-cent stamp, orange in color.

Origin of Mystic Shrine

Dates Back to 644 A. D. Dates Back to 644 A. D. More than twelve hundred years ago a small hand of harried Arabs, impatient with the alow processes of Eastern justice, determined to take the law into their own hands, anys a writer in the Washington

They gathered together at Mecca, in Arabia, in the twenty-fifth year of the Hegira (644 A. D.), under the leadership of the Mohammedan, Khalif Alce, a son-in-law of the prophet himself. Their object was

prophet himself. Their object was clean—to dispense justice and ascenter of the process justice and ascenter of the corrupt courts of the time, after such persons had been railfuly accused.

They bound themselves to work speedly, to work quietly, in order that security and secreey might be maintained. They pledged themselves to three atms—punish the guilty, protect the weak and promote religious toleration.

Thus becam the Ancient Arabic

mote religious toleration.
