

2,500 QUESTIONS ANSWERED.
DAILY IN BUS DEPOT

On an average day, information clerks in the Union Bus Depot in Chicago answer 2,500 telephoned questions regarding rates, schedules, routes, fares, etc. These questions of the bus-traveling public are handled by specially trained girls seated at an eight-position order table recently installed by the Illinois Bell Telephone Company.

We're Spending Plenty

to tell you how little it costs
to get real protection against
HIGH-SPEED BLOW-OUTS...

EVERY DAY THIS NEW
GOODRICH TIRE WITH
THE GOLDEN PLY
SAVES LIVES!

Our business is to sell tires—we'll admit that. But we're thinking plenty about your safety, too, when we urge you to put a set of Goodrich Silvertowns on your car. Because here's a tire that's in a class by itself when it comes to giving you real blow-out protection. It's the only tire in the world built with the Life-Saver Golden Ply. That's the amazing Goodrich invention that resists the heat generated inside the tire by today's high speeds. And heat is the great unseen cause of blow-outs.

We're Silvertown boosters because we know, too, that they'll give you more mileage than you ever got out of tires before. And how that big, husky-cleated Silvertown tread with its built-in grip will protect you against dangerous nail spin skids on wet slippery roads. From no other tire can you get so much safety and mileage for so little money. Remember a set of Goodrich Golden Ply Silvertowns will cost you no more than a set of other standard tires.

HEAT CAUSES BLOW-OUTS—THIS LIFE-SAVER GOLDEN PLY RESISTS HEAT—PREVENTS THESE BLOW-OUTS
