THE GHOSTS OF PAID BILLS

Have you ever had the "ghost" of a bill that you thought was paid and "dead," pop up for repayment?

You *know* you had paid it, but where was the receipt? You hadn't saved it, or you had lost it, and there was nothing to do but to pay the bill the second time.

A checking account will banish all these troublesome "ghosts" and give you absolute evidence of payment.

If you can't afford to pay bills twice, then you can't afford to be without a checking account.

ANNOUNCES \$25-A-MONTH TIME PAYMENTS AND A NEW UCC 6% FINANCE PLAN

Any New Ford V-8 Car
Can Now Be Purchased for \$25 a Month
with Usual Low Down-Payment

This \$25-a-month time-payment plan enables you to buy a New Ford V-8 car through your Ford dealer on new low monthly terms.

After the usual low down-payment is made, \$25 a month is all you have to pay for any type of new car, including insurance and financing.

Your cost for this extension of credit is only 1/2 of 1% a month on your original unpaid balance and insurance. This plan reduces financing charges for twelve months to 6%. For example, if you owe a balance of \$400 for your

car and insurance, you pay \$24 for the year of credit; if the balance is \$200 you pay \$12. Your credit cost for one year is the original, unpaid balance multiplied by 6%.

UCC plans provide you with insurance protection at regular conference rates. You have not only fire and theft insurance, but \$50 deductible collision, and protection against other accidental physical damage to your car.

The Universal Credit Company has made these plans available through all Ford dealers in the United States.

THE WRONG LANE TURNER

BEYOND TRAFFIC COMMITTEE

There just isn't any excuse for the Wrong Lane Turner! He's the motorist who doesn't make up his mind that he's going to turn until after he's reached the intersection—and then suddenly attempts to cross in front of other moving cars. No warning signal—no brains!

Good drivers prepare for a turn in advance by getting in the left-lane of traffic for a left turn and in the right lane for a right turn. Simple isn't it? Yet many accidents happen because motorists "forget."

THE OLD MASTER* COMES OUT OF THE KITCHEN

to Remark "George Rector speaking. Today I want to explode some popular ideas about cooking... such as the belief that Crepe Suzettes can be properly made only in Paris, and that American apple pie is no good anywhere outside of a New England breakfast, and that steak not broiled over charcoal has been shamefully mistreated. * * * That charcoal broiling business, now... there's a pretty bit of nonsense!

"I know some good and honest and estimable citizens who swear by charcoal broiling. When it comes to steaks, they will have no traffic with the ordinary way of fixing them. This select little group will turn up their collective and respective noses at any piece of meat broiled in the common manner. And that state of affairs is too bad. Yes it is!

"Give me an electric cook stove, a good thick juicy Porterhouse, and all the trimmings, and I will guarantee you as succulent and tender and deliciously-flavored a platter of steak as you have ever tasted in your born days. What is more, I would like to invite all these particularly fussy gentlemen to dinner, and let them judge for themselves about the cooking."
