A Savage?

"WHEW," Captain Newport for the first time be found upon its shores the 'gentle savage' to welcome him. We still have the Savages with us after 300 years, but not the dusky sons of the unknown forests."

English parish registers of Somerset county record a number of Savages during the reign of Queen

Savage

Elizabeth. On account of religious differences these people sought other homes, and in America most of them settled in the New England states, principally Massachusetts and Connecticut. Some of them located in Rhode Island.

In 1651 John Thomas Savage was a Freeholder of Middletown, Conn. Edward Savage was of Dorchester, Mass., in 1694.

It was as early as 1681 when Major Thomas Savage, from Chester, England, settled at Boston, bringing with him the family arms reproduced above.

Tremendous
Trifles

By ELMO SCOTT WATSON

QUI VIVE?

NIGHT shrouded the St. Lawrence river that September night in 1759. Under its cover a fleet of boats filled with soldiers floated silently down the stream.

Gen. James Wolfe was embarking upon a desperate gamble to gain a foothold on the plateau above Quebec, where he could force his enemy, Montcalm, to come out and fight.

As his boat passed one of the jutting curves of the Palisades, suddenly the sharp voice of a French sentinel cut through the darkness: "Qui Vive?"

In the breathless moment the fate of the North American continent hung to the balance. Discovery meant an alarm and the certain repulse of the British. Then: "France!"

It was the voice of Captain Fraser, a Scotch Highlander.

"A quel regiment?" demanded the sentinel.

"De la Reine," replied Fraser, naming a French regiment which might reasonably be expected to be abroad upon the river that night.

Apparently satisfied, the sentinel said no more. So Wolfe's soldier-filled boats passed on—to a secret path, at the top of which they surprised the sleepy guard. Then they deployed out on the Plains of Abraham.

The next morning Montcalm came out from his walled city to attack them and the Battle of Quebec followed. It brought death to James Wolfe, but it also brought the victory which decided that the English, not the French, were to rule North America. It might have been different if a French-speaking Scotch Highlander had not been in a boat on the St. Lawrence that night.

France's Early Parliament

The parliament of France, from the time of Louis XI to the end of the monarchy, followed a curious procedure when the king was in attendance. When he reclined on a couch and the princes sat in chairs, the great officials were obliged to stand and the lesser officials had to kneel throughout the entire session.—Collier's Weekly.

DEMONSTRATION

of the popular
DUTCH OVEN SUSAN

On June 26, 27, 28, 29, 30, at the Farmington office on Farmington Road, there will be a special demonstration of Dutch Oven Susan. You and your friends are cordially invited to attend, and to see for yourself the features that have made this modern electric cooking appliance so popular in thousands of homes today. Dutch Oven Susan brings you complete electric cooking at low cost. Available in sizes to fit a family of two or ten, it is as easy to use as your electric toaster and requires about the same amount of electricity per hour. It brings you the healthfulness and better flavor of electrically cooked meals, the convenience and cleanliness and COOLNESS of an electric range. Yet it is so compact and well-insulated that you can place it right on your kitchen table while the meal is cooking. Best of all, you can go out for the afternoon and never worry about dinner. When you come home your meal is waiting, perfectly cooked—piping hot and ready for the table. Dutch Oven Susan brings you new leisure.

Come... and bring your friends!
