# Electrolux Silence IS THE KE to every one of its l'amous Advantages 35

No moving parts to mear & Lasting ficiency O Continued low operating of Fullest food protection Savings that

Electrolux operates on a basically different principle-silently without machinery. That's why it can assure you of long service at low cost.

THE silence of Electrolux is more than a comfort! It testifies to the simpler operation of this remarkable refrigerator ... a simplicity which makes possible un-

matched Electrolux advantages For note this, please! Electrolux has no machinely—not a single moving part! A tiny gas flame does all the work.

Such simplicity naturally means greater efficiency. Here are a few of the savings that enable Electrolux to pay for itself: a remarkably low operating cost, perfect food protection every minute of every day, and the very minimum of repairs-for parts that do not move cannot wear.

Today, more than half a million homes and apartments throughout the country are enjoying the comfort of modern Electrolux refrigeration. Each year it wins a higher percentage of all refriger-
