

NORTHVILLE FAIR WILL OPEN AUGUST 26

The twentieth annual fair of the Northville Wayne County Fair association will be held on August 26, 27, 28 and 29th—four days and four nights.

On Thursday will occur the junior horse show and on Friday and Saturday the senior horse show will take place, and this event has become one of the outstanding attractions of the state. There will be three days of racing with liberal purses and a fine array of free acts each afternoon and evening in front of the grand stand.

Liberal premiums are being offered in the live stock, poultry, fruit and vegetable departments and the women's building will be filled to overflowing with fancy needle work, baked goods display

and canned fruit exhibit. The 4-H clubs will have an interesting exhibit as in former years and the school exhibits will be up to standard.

Mrs. Eugene Edwards spent a happy day on Tuesday, receiving callers who came to congratulate her on her 83rd birthday.

Mrs. Thomas McGee, Mrs. Chas. Halsted, Mrs. Frances Halsted and Miss Lucille Halsted were Wednesday guests of Mrs. William P. Rainey of Holloway.

Michigan Real Estate
is Worth Protecting.....
Make your 2nd payment
on the 10-Year Plan
before September 1, 1936.

MICHIGAN has made real progress in cleaning up its back tax problem. During last year's drive fifty-five millions of dollars in taxes for 1932 and prior years were put on a 10-year plan, by payment of the first part.

Now the second payment becomes due.

You must meet this payment promptly in order to retain the fullest benefits you secured by putting your back taxes on the 10-year plan.

See your county treasurer immediately. Make your second payment, with interest of 4%. Your property should be a cherished possession. Protect it by keeping your tax record clear.

And remember: if you failed to place these taxes on the 10-year plan heretofore, you still may do so by paying the first two parts, together with 4% interest, and a small extra charge on the first payment.

Note:

If You can pay now in full You will Save 8% to 36% in Future Interest Payments.

THOSE who are in a financial position to do so are urged to pay up the remaining portion of their back taxes now on the 10-year plan. For them there is a substantial saving, ranging from 8% on the third year's payment to 36% on the tenth year's installment. Pay now and save.

If you lived 100 MILLION YEARS AGO

...you'd find that the crude oils used in refining Sinclair Motor Oils were already millions of years old. Sinclair Engineers have found that, by and large, the oldest crudes make the best lubricants.

You'll see how true this is when you use Sinclair Motor Oil in your car. You

will find that it doesn't evaporate and distill out in the heat of fast driving. And you'll notice, too, the lack of wear in your engine even after thousands of miles of driving.

Ask your Sinclair dealer for either Sinclair Opaline or Sinclair Pennsylvania Motor Oil.
