from the Twelfth Senatorial

There has existed in the Sandraid District

There has existed in the Sandraid District a gentlement sugrement between the Republicans of Oakland and Washtenaw Counties to alternate the office of State Senator between the two counties. Since this agreement has been in operation, Oakland has had the office clight times and Washtenaw seren times. 1931 it was Washtenaw's turn to present a candidate. However, since the late Senator Moore had not completed his work to Republicans of Washtenaw County willings usually supported to the State of Washtenaw County now feel that more than the senate of Washtenaw County now feel that had fairness its candidate should be nominated and in supporting Mr. McCallum, Washtenaw knows that it is presenting a man well qualified to discharge the duties of this important office.

Mr. McCallum, Washtenaw knows that it is presenting a man well qualified to discharge the duties of this important office.
