WARNER FRIENDS PROVE EFFECTIVE CAMPAIGNERS

John A. Dalrymple, Superintend-ent of Farmington schools, broke a life-long rule for the first time when he wrote a letter to the Fenton Independent asking for the sup-

port of Mr. Warner. The article, as it appeared in that paper, follows: The independent is in receipt of the following pice letter from Mr. J. A. Dalrymple, superintendent of schools in Farmington, and a former superintendent of schools in Farmington, and a forward warner is a solid relation of the schools.

When John writes such a letter, saking for support for a clitzen, we can sately feel that the clitzen is all right and worthy of one's support.

.. AND A BALANCED BUDGET!

Two years ago, Michigan was millions of dollars in the red. We were overburdened with taxes and

debts. Fitzgerald promised us that, if elected, there would be no new taxes, no new debts-and a balanced budget. He kept his word! We have

emerged, in two short years, with a state treasury showing over five million dollars balance! Think of

this amazing achievement when you go to the polls on November 3rd!
