But cars differ from walls they can talk. And do! Every squeak, every rattle, every foreign noise is testimony that your car needs oil or greasing at

Dr. Scholl's Foot Happiness Caravan Coming

This traveling unit of Dr. Scholl's Foot Comfort Service, staffed with factory experts of Dr. William M. Scholl, world noted foot authority, will be in Farmington on Friday, April 9. These foot experts are conducting a one-day demonstration at the store of Fred L. Cook and Co., with a complete line of Dr. Scholl's Scientific Shoes, Foot Comfort Appliances and Remedies.

Harold and Mrs. Todd of Rosedale Park, Gaylord and Mrs. Todd and Gaylord J. of Detroit were guests of Mr. and Mrs. Herbert Todd on Easter day.

The demonstration is free. There will be 600 fittings to meet the most fastidious tastes and all types of feet, in sizes for men from 6 to 14; for women from 3 to 11; in widths from AAA to EEE. With this array of shoes there will be included the latest model X-Ray machine, the Pedograph and Dr. Scholl's Automatic Shoe Sizer. In testing feet and fitting these shoes all guesswork is eliminated.

Dr. Scholl has given the growing feet of children the same careful consideration as he has adults. He claims that many of the foot ailments from which men and women suffer today can be traced back to improperly made or fitted shoes when their feet were in the tender, plastic stage of childhood.
