Baptist Evangelistic Meetings Close Sunday

The Evangelistic meetings which are in progress at the Farmington Baptist Church, under the leadership of Evangelist Eldon Farrar and party, will come to a close on Sunday, April 18. The meetings have attracted wide interest as seen by the fact that delegations have been present from many neighboring churches and as far distant as Grand Rapids, Port Huron and Toledo. The electric organ has been especially appreciated by all those who have attended.

The closing meetings include the following sermon topics and features:
Friday night, Topic, "An Important Question."
Saturday night: A band or Orchestra from the Emmanuel Baptist Church of Toledo will be guests and will give a short concert of sacred music.
Sunday: 10:30, "El Camino Real" will be the topic of the message. The Evangelist requests that all members of the church be

present.
11:00, Bible School hour when Rev. Farrar will have a special object lesson for the children of the whole school.
3:00, Mr. Farrar will tell his life story, "From the Blacksmith Shop to the Pulpit."
6:30, Camp Fire program for the Young People, conducted by Mrs. Farrar and Miss Griggs.
7:30, "Records" will be the topic of the message. This will be the closing service of the series.

MINIMUM WAGE, SCALE IS SET FOR ROAD WORKERS

An order has been issued by State Highway Commissioner Murray D. Van Wagener for an immediate wage increase for maintenance workers on the state trunkline highway system.
The order provides for a general increase of 5 cents an hour in the maintenance wage and a minimum wage of 50 cents an hour for all maintenance workers. This compares with a previous minimum of 35 cents an hour.

The wage increase affects every trunkline maintenance worker in each of the 83 counties. Increases will go not only to the workers in the 41 counties where the department has its direct maintenance organization but also the other counties where the county road commissions perform the work under contract with the department.
E. E. Blomgren, maintenance engineer for the state highway department, estimated the increase will add half a million dollars a year to the department budget. Approximately 2,400 workers are affected, he said.

In authorizing the wage increase, Commissioner Van Wagener said he was motivated by the rising cost of living.

"The previous scale of pay," he said in his order, "is out of proportion to the cost-of-living level at this time." He emphasized that this pay raise applies not only to the men of our own organization but also to the workers in the contract counties.

COUNTY SUPERVISORS SET AT WEST POINT PARK SUPPER

The Ladies Community Club of West Point Park met at the home of Mrs. Lucian Gilbert Wednesday afternoon. House business included the planning of a supper for the county supervisors, held in the hall Thursday evening with proceeds to be given the Community Club. At cards, during the period following business, prizes of paper towel outfits were won by Mrs. Ash, Mrs. Addis, and Mrs. Barnum.

A letter was read from Mrs. Emerson Ault of Jackson, Mississippi, acknowledging the receipt of a round robin letter written her at the March meeting of the club. The ladies of this organization will meet at the home of Mrs. Albert Owen on the first Wednesday of May.

EUROPEAN TRAVELLER TO SPEAK WEDNESDAY

Under the auspices of the Women's association of West Point Park, Rev. John Adams of Mason, will give an address Wednesday afternoon, April 21, at the home of Thomas Gillespie on Seven Mile Road. Last summer Rev. Adams spent his vacation in Europe and attended the World Sunday School Convention. Lunch will be served. All members of the association and their friends are cordially invited to be present. An offering will be taken.

Miss Catherine Harlan was the guest of Miss Beatrice Noble at Azalia for the week-end.
