Leslie Springfield of Dearborn Heights is currently in Annapolis Hospital, Wayne, where he underwent major surgery. Mr. Springfield was formerly employed by the Ford Motor Co. His son Ralph Springfield and family recently moved to Farmington.

Mr. and Mrs. John Draskovich of Tuck Rd. celebrated their 30th wedding anniversary. Their four children and "mates" presented them with an all-expense paid vacation to Jamaica where they enjoyed the beauty of the island. John is owner of John's Landscaping in Farmington. I wish John and Kay 30 more years of continued happiness.

DICK STUMBAUGH and his wife Joan and son Rickie are living now in Angwin, Calif., in the valley where Dick purchased several acres with a lovely home for his family.

'Gooney Bird'
The most versatile airplane in history is now helping to fight com blight in Michigan.

Michigan State University and University of Michigan scientists are using a C-47 "gooney bird" with advanced photographic and infrared scanning equipment to spot corn crop diseases from the air.

Designed as a luxury airliner in the mid-1930s, C-47s flew cargo over "the hump" from India to China during WW II, helped break the Berlin Blockade, ferried troops in Korea, and now patrol the skies over Vietnam as a heavily armed gunship.
