### Whole Orange Grove Moved North

GROVES OF ORANGE and other citrus trees, bossoming and bearing fruit, palms, orchids, and other rare plants, and facinating dioramas of industrial, agricultural, and tropical scenes, all filling twenty-eight registrics, ranke up the Florida exhibit at the Great Lake Exposition in Cleveland. The Southern manor house, shown above, surrounded by citrusting groves and tropical plants, is the central feature of the Florida exhibit

# "Your Enemies." said "You don't make enemies." said Uncle Eben, "you simply discovers 'em unexpectedly and unintention-ally."

Sun's Heat Varies
Astronomers' tests prove that the
sun is a variable star, giving of
heat that varies from day to day.

Introduced Study of Grammar Crates of Mallus (Second century B. C.), a Cicilian Greek grammarian, editor of Homer and librarian at Pergamus, is said to have first in-troduced the study of grammar at Rome where he was a lecturer.

Still Room for Bible
The Bible has not been preached
in all the world. There are many
parts of the interior of Asin, of
Africa, and in the Far North|where
there has not been any preaching of
the gospel message.
