Three Years of Service

As we reach the third anniversary of the establishment of this bank, we are particularly proud of two things:

The growth of our bank from its original resources of \$62,500.00, in three years, to our present status of nearly a million-dollar institution;

But we are even more proud of the service we have been able to render in this community through offering it every desirable banking facility and assisting in the economic recovery and prosperity of the community. A comparison of figures on our opening day, May 19, 1934, and the present, follows:

At Opening May 19, 1934
