"HOUSECLEAN" YOUR SKIN!

Don't be satisfied to give it merely a "look" and a promise. That way cleaning measures are responsible for many blemishes, such as enlarged pores, blackheads, dry and scaly skin. When you clean your skin—*"houseclean"*—

What you use is a penetrating face cream such as Lady Esther Face Cream is—Lady Esther Face Cream actually penetrates the pores and does it in a gentle and soothing manner. It goes to work on the imbedded way matter—breaks it up—dissolves it—and makes it easily removable. When your skin is really clean it regains its natural softness, smoothness and firmness.

As Lady Esther Face Cream cleanses the skin, it also lubricates it, it resupplies it with the oil it lacks, keeps it soft, smooth and supple. Try Lady Esther Face Cream today and see how your skin responds.

A Buying Guide

Before you order a dinner in a restaurant, you consult the bill-of-fare. Before you take a long trip by motor-car, you pour over road maps. Before you start out on a shopping trip, you should consult the advertisements in The Enterprise. For the same reasons!

The advertising columns are a buying guide to you in the purchase of everything you need—including amusements! A guide that saves your time and conserves your energy; that saves useless steps and guards against false ones that put S-T-R-E-T-C-H in family budgets.

The advertisements in this paper are so interesting, it is difficult to see how anyone could overlook them... fail to profit by them. Just check with yourself and be sure that you are reading the advertisements regularly—the big ones and the little ones. It is time well spent... always.

"Messenger of Light" Prediction Wrong

(Continued from Page 1)

will require the attention of a physician.

The charts of the two men do not reveal an actual knockout of Louis by Braddock, but the chart will retain his title through a technical knockout because of Louis' handlers' decision to fight him from further punishment at the hands of Braddock.

The chart of Louis reveals that he will be the victim of some sort of an underhand and shady deal consummated before the fight which will cause him to lose to Braddock.

Braddock will have equally as tough a fight with Louis as he had with Max Baer and this bout will not end until it has gone well toward the limit.

One Farmington man wondered whether the star that the "Messenger of Light" was giving at Louis had some relation to those that Braddock saw when Louis hit him.

Jacks-of-all-Trades

There is a mixed bag of Jacks: some good, some bad; some wise, some foolish; some respected, some reviled, but all true-born Englishmen, says a writer in Tit-Bits Magazine. There are Jack Spratt and Jack Slaw; Jack Fool and Jack Bore; Jack-dandy and Jack-naps; Jack-in-the-green and Jack-in-office; Jack Frost and Jack-kick; Jackass and Jackdaw; Jack-the-anthill and Jack-the-bomb; Jack-a-lantern and Jack-amend-all; Cheap Jack and Jack-in-the-box. They eat Jack-pudding served with Jack-sauce; they turn the roast on a Jack-spit; they put their money on the Jack at cards; they hear Jack-of-the-clockhouse strike the hours; they use a Jack-towel and wear Jack-boots; to ward off Yellow Jack they drink deeply from Jack and And they live together in the House that Jack built—every man-Jack of them!

Similar Accident

In a similar accident on Grand River, motorists escaped injury but much property damage was done Monday night.

Three-Car Crash

Henry Handervahl, 1629 Berkely, Grand Rapids, enroute to Detroit Monday night with a trailer loaded with eggs hitched to his car, stopped on Grand River avenue at the west end of the

Cut-off. He was attempting to persuade a drunk driver, whose car was stopped in the middle of the road, to leave the road until he sobered up. Handervahl left his own car parked on the pavement. A second auto, driven by Ruth M. Schlaser, 830 Lathrop, Detroit, also going east on Grand River, came up the steep hill. Reported to have been going at a high rate of speed, the driver failed to see the parked vehicles until almost upon them. She applied the brakes and might have stopped, but another machine following close behind her, driven by Jack Walker, 278 St. Clair, Detroit, struck her automobile in the rear and pushed it into the parked vehicles. During the confusion following the crash, the drunk driver left the scene.
