WAY BACK WHEN BELL TELEPHONE HEADS

BEGAN AT THE BOTTOM

18 Company Presidents Started m Humble Jobs at Small Pay and Worked Their Way Up

Started in Various Johs
The present presidents, of the
Southern Bell Telephone and Telegraph Company and the Michigan
Bell Telephone Company began as
stenographers. The head of the
Mountain States Telephone and
Telegraph Company was a collector.
Other first jobs included that of general canvassing agent, alesman,

reigraph Company was a collector, other first jobs included that of general canvassing agent, salesman, special inspector, service inspector, traffic student, and draftsman.

1 Nor, did these various Bell presidents start their careers in the places where they are now located.

They Moved and Progressed
The President of the Chesapeake and Potomac Telephone Company, with headquarters in Washington, D. C., began as a night operator at Plattsmouth, Neb. The new head of the Southwestern Bell Telephone Company, with headquarters in St. Louis, started as a night operator at Springheid, Mass. The man who leads the Pacific Telephone at Springheid, Mass. The man who leads the Pacific Telephone Surfer and the Payroll Department of the Western Electric Company in Chicago.

The President of the New York Telephone Company began as a wireman in Philadebhla and the
