The Viliamin Alphabei Housewives who find it hard to learn the vitamin alphabeit may be halped by the following simple gov-emment explanation: Viliamin A is said to prevent an eye defect; vita-nin B, beirberi; viliamin C, seur-vy; vitamin D, rickets; viliamin G, pellagra. The nutritionists say that the American distary commonly lacks iron. Foods rich in iron are liver, meats, eggs, and green leady vegetables. Recent government an alyzes revealed that next to liver, the oyster is the best nature source of iron and copper. Fifteen Male Servants in the Mayflower Party The Mayflower Warte at Plymouth.
