Walled Lake

Friday, October 28, the Farmington eleven met its second delight,

Friday, October 28, the Farmington eleven met its second delight of the season when Walled Lake turned them back 25 to 0.

Walled Lake has not been deteated of socred on this year and has a very excellent chance to win the 1937 footbalt championship.

Walled Lake made their first touchdown early in the first quarter after Farmington fumbled on a reverse play. Walled Lake took the ball and on the first play they the ball on the first play they there are Thompson. Durns and receive yards for being off the play they third down and fifteen on the premalized five yards for being off the play they third down and fifteen on the first play they third own and fifteen on the first play they look the ball around right end on a spin- on the Farmington might be ball on the Farmington might be ball on the Farmington the field; took the pass and crossed touchdown on a sleeper play. Walled Lake mane was stationed along the left side of the field and help us on our way through. On the first play they then the ball salled between the bright took the pass and crossed the goal line standing up. This time the ball salled between the bright took the pass and crossed to go the field; took the pass and crossed to go the field; took the pass and crossed the goal line standing up. This time the ball salled between the bright took the pass and crossed to go the field and the scoring in the field; took the pass and crossed to go the field and the scoring in the field; took the pass and crossed to go the field and the scoring in the field; took the pass and crossed to go the field and the scoring in the field; took the pass and crossed to go the purplets for the extra point. That finished the scoring in the field; took the pass and crossed to go the field and the pass and crossed to go the pass and cro

You Can Depend on the Man Who ADVERTISES

Nine times out of ten you will find that the man who advertises is the man who most willingly returns your money if you are not

He has too much at stake to risk losing your trade or your confidence. You can depend on him.

He is not in business for today or tomorrow only . . . but for next year and ten years from next year. He knows the value of good-will.

You get better merchandise at a fairer price than he could ever hope to sell if he did not have the larger volume of business that comes from legitimate advertising and goods that bear out the promise of the printed word.

Don't miss the advertisements. This very day they call your attention to values that tomorrow you will be sorry you overlooked.

Miss Frances Brown has been ill 285 to 258, of which be ith a severe cold.
