Committee To Study County Pay

A blue-ribbon bipartisan citizens' committee will recommend salaries for members of the newly reappointed Oakland County Board of Supervisors.

Democratic board members, who hold a 15-12 majority on the board, have proposed the plan to resolve the salary problem, a major campaign issue. Restructuring of the board on a "one-man, one-vote" basis and its reduction from 27 to 25 members are expected to raise other questions in the

areas of jurisdiction and function as well.

Currently, supervisors receive a stipend of \$20 a day.

SUPERVISOR Philip O. Mastin Jr., of Hazel Park, Dep. Democratic caucus chairman, indicated he hopes for bipartisan support for the proposal.

"We are sure that all responsible supervisors-elect of each party will enthusiastically support this plan," Mastin commented.

He added, however, that members of the Democratic caucus, which endorsed the plan unanimously, intend to work for its adoption nevertheless.

The citizens' committee, Mastin suggested, might explore the functions and salaries of boards in other states and

areas which have had representative apportionment and popular election for many years.

DEMOCRATIC MEMBERS, he said, envision the committee as one including broad representation from all groups in the county: black and white, men and women, labor and management, and both political parties.

As presently conceived, the committee would report to the new board well before the Feb. 15 legal deadline for fixing salaries, Mastin said.

"We would hope to organize things as soon as possible, so that the committee could deliberate and return an opinion by the end of January," he said.

Scout Council Has 50th Anniversary

Clinton Valley Council of the Boy Scouts of America will observe its 50th birthday next week. Dec. 8-14 has been set as the council's Golden Anniversary Week.

Established Aug. 1, 1918, as the Pontiac Council, the Clinton Valley Council today serves 11,500 boys in Cuyahoga, Boy Scout and Explorer units.

A total of 3,700 volunteer adult leaders staff the units and direct district and council activities and programs. Since World War II, membership has grown from 2,400 boys to the present 11,500.

The council president is George R. DeCoursey, 33270 Briarcrest, Farmington.

The Clinton Valley Council serves all but the southeastern corner of Oakland County and all of Macomb County north of 14 Mile.

Council programs over the years have stressed camping.
