Epworth League Notes

(Bob Snyder, Editor)
Carl Smith had charge of the
last meeting, Sunday and his sub-
ject was "What is God and Reli-
gion?" A discussion followed.
Our guest last Sunday evening
was Miss Segal, who sang a solo
entitled, "If Christ Should Come."
Next Sunday Becky Auten and
our honorable president, Doug
Parker are going to have charge of
the meeting. They plan to talk
on their trip to Chicago. This
sounds very interesting so lets all
be on hand.
On February 20, the League will
attend the Annual Sub District
Rally at Plymouth.

CHARLES E. SORESEN SELLS GUERNSEY BULL

A purebred Guernsey bull,
Cesar Jay's Prince 22942 was sold
recently by Charles E. Sorensen
of Farmington to Cornell M. Elbow
of South Milan, Michigan, according
to the American Guernsey Cattle
Club, Peterborough, New Hamp-
shire.

Scout News

At the regular troop meeting
Monday night Richard Miller be-
came a regular Scout and received
his membership card showing
that he now is a member of Troop
45 of Farmington and a member of
that great body of boys and young
men known as the Boy Scouts of
America. We welcome Richard in-
to our troop and believe that he
will be a benefit to scouting and
that scouting has a worthwhile
program and many benefits to of-
fer him.

Fred Humphrey is now a full
fledged member of Troop 45, hav-
ing belonged to Troop 41, Welcome
Fred, and we hope you like us
and that you will continue to en-
gage in scout activities.

Our troop charter expires March
31, 1933. We are already planning
to re-register promptly and get a
new charter. This will help to
raise the ranking of our troop.
The registration fee for one year
is fifty cents. Scouts and prospec-
tive members may buy and earn
their registration fee.

Ask the Scouts why they are
wearing their uniforms all this
week.

Next Sunday at 10:30, Troop 45
will attend church services at the
Baptist Church. Let's show our
appreciation of the invitation given
by the pastor, who is a friend of
Scouts by being present. All scouts
are especially invited whether they
have uniforms or not.

For our meeting February 14, the
Wolf Patrol is to act as a drill
team. Practice on the usual com-
mands.

The Rattlesnake Patrol is to
have a stunt ready for the program.
The Flying Eagle Patrol is to
prepare a display of articles made
by members of the patrol or by
former scouts of the Troop.

We are pleased to say that the
Troop Committee and the Ex-
change Club were represented at
Monday's meeting. We also had
some visitors.

Please come again. You will
soon feel at home with us. If ne-
cessary, we will give you some
work to do.

A Court of Review will be held
Monday, February 21 at the regu-
lar meeting, perhaps after the regu-
lar program, for those who are
preparing for the Court of Honor
February 25.

OLD POLICE BOOTH TO BE USED AS BERRY STAND

According to a letter received
by the Enterprise this week, the
old police booth which used to be
on Grand River facing the Orchard
Lake Road will be used by its
owner Alvin Maynard at that road-
side stand where he will sell straw-
berries during the summer. Mr.
Maynard will have his stand on
11 mile Road and Power Road.

MCCRODY EXPLAINS POTATO DIVERSION PROGRAM

There has been some misunder-
standing by both farmers and
people who are not farmers in re-
gard to the Potato Diversion Pro-
gram according to Robert McCrody,
Chairman of Grand County Agri-
cultural Conservation Committee.
The principal of diverting excess
potatoes into livestock feed rather
than allowing them to rot is a di-
rect benefit to the state pro-
gram and no payment will be made
in case the potatoes are wasted or
destroyed.

Michigan's 1937 potato crop of
25,934,000 bushels is about 2% more
than bushels larger than the 1936
crop and about 5% million bushels
larger than the average for the pe-
riod 1928 through 1932. Michigan's
livestock diversion represents a
total of 15 per cent of the increase
in production in 1937 over the 5-
year average.

The payment of 15c per bushel
is made to encourage this principle
of the potato producer with the
thought, that with this encourage-
ment they will feed their lower
grades of potatoes and put on the
market their best potatoes of
which there is an ample supply.
The criticism that farmers should
not feed their potatoes is just as
unjust as it would be to criticize a
farmer for feeding wheat or corn
to his livestock or surplus milk to
his boys.

To get this payment the farmer
must apply to the County Agricul-
tural Conservation Office. After
his application has been approved
he must inform the county office
of the date he will have his pota-
toes ready for inspection, and
where the potatoes are located. To
prepare for inspection the pota-
toes that are intended for feed
must be separated from any pota-
toes he expects to sell, eat or
plant and be in a bin or container
in such a manner that the bushels
may be computed. A licensed in-
spector will inspect for grade and
amount, and give all eligible lots.
The dye used in this connection is
not a poison and is applied in such
a manner that no harm can come
from its use.

COMMISSIONERS PROCEEDINGS

Regular meeting of the City
Commission of the City of Farm-
ington held February 7, 1933.

supported by Hatton, that the bills
be approved. Roll call: Hatton,
Gildemeister, Oldenburg, Hamlin,
Nacker and Bagnall.

Motion made by Bagnall, sup-
ported by Hamlin, that the City
of Farmington pay a nominal rental
of \$15.00 monthly, starting as of
January 1, 1933, to cover space,
furniture, light and heat used by
the office of the City Clerk in the
Farmington State Bank Building.
Motion carried.

Motion made by Hamlin, support-
ed by Oldenburg, that the street
one block east of Farmington
Road and parallel from Shawassee
to Oakland avenue, be named
Ross street.

Motion made by Hatton, support-
ed by Nacker that the street one
block north and parallel to Grand
River avenue from Cass avenue
east across Cass street, to its end
be named Adams street.

Motion carried.
Motion made by Gildemeister,
supported by Hamlin, that the street
east of Our Lady of Sorrows
School and running north from
Grand River avenue be named
Mooney avenue. Motion Carried.

Motion made by Nacker, sup-
ported by Hamlin, that the City
of Farmington will some young man
and their share of the expense
with the Masonic Order of the
Farmington Township, for the re-
roofing of the Town Hall.

Roll Call: Hatton, Gildemeister,
Oldenburg, Hamlin, Nacker and
Bagnall. Carried. All yeas.

Motion made by Bagnall support-
ed by Hatton, that a sewer exten-
sion be made from the east side of
the Salem Evangelical Church,
west on Oakland avenue to Grand
River avenue, so that lots No. 28
and 29, assessor's plat No. 7, City
of Farmington, may be serviced by
sewer.

Roll Call: Hatton, Gildemeister,
Oldenburg, Hamlin, Nacker and
Bagnall. Carried. All yeas.

Motion made by Hamlin, sup-
ported by Oldenburg, that the
Commission of the City of Farm-
ington appoint some young man,
qualified, to attend a meeting of
the Wolverine Boys' State, incor-
porated, to be held in East Lansing
July, 1933. The expense of \$12.50
to be paid by the City of Farming-
ton.

Roll Call: Hatton, Gildemeister,
Oldenburg, Hamlin, Nacker and
Bagnall. Carried. All yeas.

Motion made by Nacker, sup-
ported by Hatton to adjourn.
Carried.

Howard Warner, Mayor.
Harry Moore, Clerk.

AUDITOR GENERAL TELLS OF RISE IN CRIPPLED CASES

Auditor General George T. Gundry,
this week announced that the
number of afflicted children accept-
ed for treatment at State expense
has risen perceptibly during the
last ninety days. The Auditor
General laid the cause for the increase
to the present scarcity of employ-
ment which has in many instances
caused applicants who were for-
merly able to pay, to apply for aid
as indigents.

Mr. Gundry pointed out that the
per capita cost for treatment of
the children now being treated,
has decreased in a satisfactory
manner. He said, "since we have
instituted a double-check account-
ing system, we have been able to
eliminate chislers from our rolls.
This has aided us immeasurably in
conserving our resources and ac-
cepting more cases under our pres-
ent budget."

In checking the files in Gundry's
office, it was found that an average
of 1600 new commitments are
made each month on which the en-
tire cost is borne by the State of
Michigan. Gundry pointed out the
fact that aid now extended to in-
digent does not release them from
an agreement to pay when their
financial status improves and that
all such aid rendered with the
provision that the State be reim-
bursed.

It was explained that these costs
arise out of hospitalization, doc-
tor's fees and transportation from
the child's home and the hos-
pital.

NAVAL ACADEMY PICTURE IS AT REDFORD THEATER

"Navy Blue and Gold" a picture
of life at the U. S. Naval Academy
heads the double feature bill at
the Redford Theater Friday
through Monday of this week. The
picture is supported by "Second
Honeymoon" starring Tyrone
Power and Loretta Young.

The Annapolis picture has an
excellent cast including Robert
Young, James Stewart, Lionel
Barrymore, Tom Brown, Florence
Rice and Billie Burke among
many others.

The picture has been acclaimed
by naval authorities as one of the
most authentic pictures ever writ-
ten about the historic United
States Naval Academy. All the
color of an Army-Navy football
game, the exciting and colorful
academy drills, and the serious
and comic problems of academy
life combine to make "Navy Blue

and Gold" a most enjoyable even-
ing's entertainment.
"Merry Go Round of 1933" and
Zane Grey's "Thunder Trail" are
the double feature bill which
starts Tuesday and continues
through Thursday. Silverware is
given free to ladies on Thursday
evening.

Mrs. Talbot and other relatives
attended the funeral of Mrs. Van's
sister of Toronto, early this week.

SPRAY MATERIAL
DOWSPRAY DORMANT

- ★ **MAXIMUM CONTROL**—Combats rose
apple aphid, early green aphid, San Jose
and scurfy scale, bud moth, European red
mite, pear psylla and black cherry aphid.
- ★ **LESS OIL PER TREE**—1 1/2 to 2 gallons
Dowspray Dormant per 100 gallons of water
is required, depending on the insects to be
controlled. Less oil per tree, thus gives
greater economy.
- ★ **NON-IRRITATING**—Absence of caustic
provides complete safety to operators and
equipment.
- ★ **GREATER EFFECTIVENESS**—Dowspray
Dormant is effective against more insects
than any other dormant spray available.
