When Santa Clara University's Broncos, last fail's only unbeaten, un-tied major football team on the Pacific Coast, met Gonzaga University's in the Sacramento Municipal Stadium in the final game of their season's schedule, the Santa Clara coach, Lawrence T. Directed Strategy of Game
This required the stringing of
3,000 feet of wire and the installation of a telephone at the Santia

when the teams came on the playing
field, the line was ready, and just
before the game Shaw gave final
instructions for several minutes',

the team capatia, and to each memiber of the starting line-up. A genminutes later the whistle blew and
the game was on.

Later, in the second quarter, the coach again put in a call, directing changes in the team. And during the intermission he telephoned a "pep" talk to each player that filled the boys with such enthusiasm that they went back in the second half to win the game, 27 to 0.
