

HUDSON NATION-WIDE ECONOMY TEST

Automobile owners making nation-wide self-observed economy test on Hudson 112 cars—Inset shows one type of gas mileage indicator. Another similar device is shown mounted on the car under test.

In an announcement appearing in over 1700 newspapers throughout the United States, the Hudson Motor Car Company is making public a nation-wide economy test for car owners. There will be a contest feature to the economy test, which begins May 22 and runs until June 18 inclusive.

and observations by means of mileage measuring devices provided by Hudson dealers. One of the major purposes of the Hudson Motor Car Company in making the test is to get actual mileage readings on the new Hudson 112 in the hands of average owners throughout the country. The Hudson company is enlisting the assistance of newspapers to carry out the plan—this method being selected as the expedient method of reaching the

largest number of average car users. In connection with the contest, three new Hudson 112's will be presented to the winners each week. The car owner takes his demonstration ride in a 112 model, makes his own observation on gasoline mileage and other features and then writes a 30-word statement. The combined circulation of the newspapers in which this contest is being announced totals over 30,000,000.

U. OF M. AWARDS 75 SCHOLARSHIPS TO STATE SENIORS

Seventy-five seniors in Michigan high schools have been chosen for University of Michigan Alumni Undergraduate Scholarships for the year beginning September, 1938. It was announced recently by Dr. Clarence S. Yeakum, Vice-President of the University in charge of Educational Investigations.

amount to a grant of over \$8,000 this year. Holders of the Scholarships are designated by the University from many hundreds of nominations made to University officials by local University of Michigan Clubs and Alumnae chapters throughout the State. The local organizations make a thorough examination of each candidate early in the spring, and the recent announcement of the ultimate winners is the result of further careful investigation.

Over 450 students have received Alumni Undergraduate Scholarships during the eight years since the program was first established by the University. Summer Vacation Begins At Nichols School

The scholarships are worth about \$110 a year to each of the students during each year that he is in the University. The awards cover the remission of all semester fees of the students appointed. In terms of these fees, the Scholarships awarded to these young people

Students are chosen for the scholarships for their scholastic ability, character, and financial need. Students who maintain a satisfactorily high standard of scholastic attainment during their freshman year under the grant are eligible for similar awards in their successive years at the University.

Summer vacation is being enjoyed by pupils at the Nichols school, located at Southington and Thirteen Mile roads. Classes officially closed on Wednesday. Mrs. Alfred Smith of Farmington has charge of the eight grades. Children, mothers, guests and Mrs. Smith enjoyed a picnic on Wednesday. Indoor and other games were played. Twenty-seven were present at the picnic.

MAYOR TO GREET GUEST OFFICIALS AT CAMPOREE

(Continued from page 1) Edgar Pierce, Leo Gilmeister and Delos Handall, representing the mayor's committee, will have charge of water, toilet and garbage facilities on the camp ground. They will also supply logs for the council fire to be used at the Court of Honor on Friday and Saturday when all scouts who passed tests during May will receive their awards. Assistant Scoutmaster Carl Smith, of Farmington, will receive the Eagle Scout badge at that time.

To Erect Faveuts The City will erect 12 to 16 faveuts on the ground. Joseph DeVriendt has secured the aid of members of the Groves-Walker post of the American Legion to build a rustic entrance on the field, and the erection of lights around the band stand.

The log cabin scout headquarters will be redecorated on the exterior and interior, and the grounds around it will be beautified and flowers planted. The girl scouts, under the supervision of Mrs. Cale will have an exhibit there, and will also have a charge of an information booth.

Bayard Tupper, Arthur Power, Leo Gilmeister and Mahlon Bradley have made arrangements to supply 16 cords of camp fire wood.

Sunday Church Services The Rev. Strubs, Schultz, Miles and Larkin will conduct Sunday church services for the scouts, and have made arrangements for the use of their churches, along with the school building in the event of rain or wet grounds during the three day period.

Scoutmasters Arnett and Samuelson and Assistant Scoutmasters Moates and Smith will make surveys and studies for hiking tours to points of interest in Farmington and vicinity.

A special 40 foot square plot will be allotted for an exhibit of scoutcraft and handicraft work accomplished by the Crippled Children's Hospital. Dr. Archibald Leonard, representing the Bond School District, announced to the committee that his troop was ready for the Camporee.

Wall Eye Pike Fry Planted in Ponds

Approximately 3,250,000 wall-eye pike fry were planted this month in the ponds above the Consumers Power Company dams on the Au Sable River, according to an announcement by Frank G. Boyce, vice president in charge of electric production and transmission.

The fry were obtained from the State Fish Hatchery at Bay City, and a man from the hatchery accompanied each truckload. Truck and labor were supplied by the company. The fry were contained in 135 cans, each containing between 20,000 and 25,000 fry.

About 325,000 fry were placed in the Alcona Dam pond, and about the same number in the pond above Cooke Dam. The Poote Dam pond received 800,000 fry, the Loud Dam pond 425,000, and the Five Channels Dam pond 375,000.

All ponds of the company are open to public fishing, and the company maintains free tourist camps on the Au Sable and the Manistee.

The shoreline of inland lakes in Michigan is roughly estimated as totalling approximately 5,200 miles.

DOCTORS URGE CHECKING WHITE PLAGUE EARLY

Modern case finding was this week pointed out to county governments by the Michigan Tuberculosis Association as the best means of reducing the tremendous expense of fighting tuberculosis. Emphasizing that eighty per cent of all tuberculosis cases admitted to Michigan sanatoriums today are in an advanced stage, the Association called attention to the fact that treatment for these usually costs the state and counties at least twice as much as for cases discovered and hospitalized early.

This situation, said Theodore J. Wines, executive secretary of the Association, "is today entirely unnecessary. Progressive counties are already taking steps to eliminate it. They realize that now, through the tuberculin test and the X-ray, it is possible to find tuberculous in what is truly its early stage, namely, before the appearance of symptoms.

"County officials are becoming increasingly aware, too, of the practical economy involved in taking advantage of these modern weapons against the White Plague. Cases found early cost less—much less. Thus it is good business to find them early. Consequently, county boards of supervisors are beginning to appropriate funds to assure case finding programs in their respective areas. Their members know that in this way cases will often be found in the minimal, pre-symptom stage and that the cost of hospitalization will be thus considerably reduced."

Mr. Werle then considered the economy of a good case finding program from another point of view. "By finding tuberculosis cases early and securing their prompt hospitalization, the danger of infecting others in the community is eliminated. Thus there is the expense of hospitalizing but one case, while delay in diagnosis and treatment might have caused the development of several new ones.

Mr. and Mrs. C. R. Lintner called on friends in Farmington, Wednesday.

with the resulting additional expense." It was pointed out by Mr. Werle that every county in Michigan is spending thousands of dollars to hospitalize its tuberculous sick. "It would be only the soundest economy," he said; "that they spend a comparatively insignificant amount on a case finding through modern weapons, and eventually reduce hospitalization costs."

Mr. and Mrs. C. R. Lintner called on friends in Farmington, Wednesday.

NOTICE Board of Review Meeting Notice is hereby given to all persons liable to assessment for taxes in the City of Farmington, that the assessment roll of said city prepared by the City Assessor will be subject to inspection at the office of the City Clerk at the Farmington State Bank Building, Tuesday, June 7, and Wednesday, June 8, 1938, from 9:00 a. m. to 3:00 p. m. and from 3:00 p. m. to 5:00 p. m. in the room under the bank. The Board of Review will be in session and upon the request of any person who is assessed on said roll or his agent and upon sufficient cause being shown will correct the assessment as to such property in such manner as will in their judgment make the value relatively just and equal. Such assessment roll as received by said Board of Review shall be the assessment roll of said city for the year 1938. H. W. MOORE, City Clerk.

Feeling SORRY Won't Bring a DEAD Child BACK to Life

Have you the courage to read this ad . . . or do you shudder at the gruesome thought suggested? No . . . we're not going to give you cold, stark, unfeeling statistics on how many children were killed in the State of Michigan last year. You know there was a child killed because a motorist was careless. And the man who killed that child says he would give his life to bring her back to life. He is a broken man today because this tragedy did not end with death to the child. It has cut deep . . . it has hurt and wrought havoc in the lives of many.

Are you a careful driver? Do you know the traffic rules and regulations? Above all . . . do you observe them . . . not just most of the time but ALWAYS? One slip can make you sorry for the rest of your life . . . can shatter your confidence . . . can bring grief and unhealing wounds to others. Please . . . please drive carefully!
