

## GRAND RIVER DRAIN PROJECT TO BEGIN HERE JUNE 30

Inauguration of the Oakland County drain project along the north side of Grand River and Shiawassee Roads has been postponed until June 30. It was announced Wednesday by H. V. Wedge, Drain Commissioner. Originally work was scheduled to begin June 15.

Commissioner Wedge estimates that the cost of construction will

be \$41,547.44. Approximately 113 men will be employed over a period of three months. The project calls for the laying of 5,520 feet of 12 inch to 30 inch pipe along U. S. 16 and Shiawassee Road emptying into the Shiawassee creek.

Labor on the drain project will be furnished by the County WPA, and materials are to be furnished by the drainage district. The Commission is now advertising for sealed bids, which will be received at the Oakland County Drain Commission office at Pontiac until 9 a. m. Tuesday, June 28.

## 3 LOCAL SONS GO TO BOYS' STATE INC., AT LANSING

Three Farmington boys left Thursday morning, June 16, to participate in the Wolverine Boys' State Inc. at Lansing to learn from actual experience various functions of government. They are Donald Lee, Joseph "Bud" Norton, of the City of Farmington, and William Campbell, of Farmington Township.

The City Commission is sponsoring "Bud" Norton, the Exchange Club is sending Don Lee, and William Campbell's expenses will be paid by the Township Board. Fees for the sponsors are \$12.50 per boy. Transportation was provided by Postmaster Norman Lee, who drove the trio to the state capital.

For ten days, the three Farmington boys will attend the Citizen school, conducted by the American Legion, along with approximately 800 other boys from the state. Each boy will be eligible to hold a governmental position.

Dividing themselves into groups the young citizens become members of one or another mythical party. Cities and counties are established, and a state government is organized. Nominations and elections are held in accordance with Michigan laws, and by the established methods of voting.

Letters to the Editor are always welcomed by this newspaper.

## 73 High School Seniors Are Graduating Thurs.

Dr. W. W. Whitehouse of Albion College is addressing the largest Farmington High School senior class Thursday night at the annual commencement of the Methodist Church when 73 seniors are receiving their diplomas.

The baccalaureate service for the graduates was held at the Methodist Church last Sunday. Rev. Delmore Stubbs, pastor of the church, delivered the address, speaking on "The Upward Calling." The text, taken from a Biblical parable, was "Friend, Go Up Higher."

Rev. Stubbs spoke about ambition, and pointed out to his listeners the difference between worthy Christian and unworthy worldly ambition. He spoke of friendship with the Higher Being, and advised the graduates when making their choice of life to select the finer and more wholesome things which build the soul and spirit, rather than those which provide for external features only.

## You Can Depend on the Man Who ADVERTISES

Nine times out of ten you will find that the man who advertises is the man who most willingly returns your money if you are not satisfied.

He has too much at stake to risk losing your trade or your confidence. You can depend on him.

He is not in business for today or tomorrow only... but for next year and ten years from next year. He knows the value of good-will.

You get better merchandise at a fairer price than he could ever hope to sell if he did not have the larger volume of business that comes from legitimate advertising and goods that bear out the promise of the printed word.

Don't miss the advertisements. This very day they call your attention to values that tomorrow you will be sorry you overlooked.
