"Soul" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, August 14.

way wherein I should walk; for I lit up my soul unto thee."

Among the Bible citations is this passage (Isa. 61-10): "I will greatly rejoice in the Lord, my soul shall be joyful in my God; for he hath clothed me with the garment of salvation, he hath covered me with the robe of righteousness, as a bridegroom decketh himself with ornaments, and as a bride adorneth herself with her jewels."

Correlative passages to be read from the Christian Science text-book "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 217): "The reason for beauty is to have less illusion and more Soul, to retreat from the better of pain or pleasure in the body into the unchanging calm and glorious freedom of spiritual harmony."

OLD AGE CHECK WRITING DUTIES WILL BE CHANGED

Auditor General George T. Gundry, announced recently that on August 15, the task of writing Old Age Assistance checks would be transferred from his department to the State Welfare Department.

Mr. Gundry explained that due to new auditing methods set up by Social Security Commissions, it was necessary to make this change.

Gundry emphasized that his department would still audit the amounts vouchered him by the Welfare Department and that his staff would check all pension accounts thoroughly before they were received by him for signature.
