Keller, of 23800 Maple avenue, police stated. Neither driver was reported injured.

## BASEBALL MANAGER WORKS ON PLANS FOR NEXT YEAR

With the baseball season in Farmington just closed Sunday plans are already under way for next year according to Manager H. F. Brennan. A league of eight teams composed of teams from Farmington, Novi, Hartland, Walled Lake, Redford Township, Northville, Berkeley and one other team to be named later is planned. Brennan hopes to have a strong team in the field next year, and his rebuilding program will soon get under way.

The Merchants closed the season Sunday at the High School athletic field by defeating Harry German's All-Stars, composed of the Northville team, by a score of 8 to 2.

German, the 62 year old pitcher, was hit freely and received poor support. The Farmington pitchers, Gus Rosenbom and Ralph Cuddell, permitted a total of nine hits.

The Merchants closed a fairly successful season by winning 13 games while losing 12. Most of the losses were received early part of the season when the team was getting organized.

LOSEY CORNER CHURCH HAS QUARTERLY MEETING

Members of the Losey Corners church are invited to attend the sessions of the conference which are to be held from September 20 through September 25 at Hillcrest. The last quarterly conference for the year was held Saturday evening with Rev. Hutton, Michigan Conference Superintendent, as Chairman. Department reports were given and commended.

Allen Sherman was elected to a five year term as trustee. Voting on the conference delegate established a record in the ballots cast, according to Rev. Hutton. Mrs. Horie won by one vote on the fourteenth ballot, defeating Mrs. Fredericks, the only other candidate.

At the regular board meeting the following officers were asked to serve, a second term: Mrs. Horie, Sunday School Superintendent; Mrs. Fredericks, assistant Superintendent; and Walter Dixon, Treasurer. New officers are: Mrs. Noble, Secretary; and Mrs. Allen Sherman, in charge of supplies.

Presentation of the cross and crown for perfect attendance was made to Mr. and Mrs. Dixon, Mrs. Noble, Roy Fulton, the four Horie children, Mrs. Foster, Mr. Stuart and son, and Mrs. Fredericks.

There are 7,000 telephones in Redford City in New York—about the same number as there are in either the size of Meriden or Middletown, Conn.

At the beginning of 1938, the number of Bell System and Bell connected telephones in Wisconsin totaled about 530,000. This represents an increase over the preceding year of approximately 25,000.

With the opening game of the season only one week away, and the first conference foe to be met in two weeks, Coach Paul Shoemaker and his assistant, Benton Ever, find the huge task of whipping a comparatively green Farmington High School football team into shape confronting them.

Only six letter winners are listed on the squad of 45 men who are participating in the daily workouts. The coaches are concentrating on developing backfield material. To aid them in their search for a winning combination Coach Shoemaker has scheduled a practice scrimmage with Center High School for this Friday.

Numerous Openings  
Despite the scarcity of experienced candidates the coaches are not discouraged. The players are in good physical shape, and with the numerous openings to be fought for, most of the players are making a determined effort to win opening assignments.

Miss Dorothy Johnson, Student Council President, and her cohorts are rallying students and townpeople to join in furnishing the home moral support for the five home games. Students pass for students and non-students are now on sale and can be purchased at the High School.
