## HOME WINEMAKER WARNED HE MUST NOTIFY TAX UNIT

warning that it is illegal to

make whis for home consumption without informing the Federal, Government that such wine is to be made was issued last week by Fred W. Beltz. Supervisor of the Michigan-Ohlo District of the Alcohol Tax Unit of the United States Treasury Department. Beltz pointed out that while it is possible for the head of a family to manufacture up to 200 gailloss of wine a year for the use of himself and his family, be must notify the tax unit at least five days before, beginning such manufacture.

an least five days prior to the beginning of the production. Such
notice may be filled with no cost
at the present time or at any time
up to five days prior to commence
inc manufacture of the wine. Such
wine cannot be sold, nor used at
any place other than the place of
manufacture.

tutions.

Pointing to the need for limited-way histhways on a selective basis in metropolitan areas and between industrial centers. Van Wagoner urred Federal legislation to authorize the jexpenditure of Federal Jonds for Jinkhot-way and maintenance as well as construction on such routes. The financial burden of such superhighways, he said, is too heavy for the states to bear alone.

The commissioner favored elevated highways for terminal facilities in larger cities rather than subway construction. The former, he said, are less expensive and safer.

## Decline Of Automobile Repossessions Noted .

As a criterion of improved condi-tions in the state; Leon D. Case, Secretary of State, points to the decline of automobile reposses-sions in the last six months. According to figures recently re-leased, March, 1938, with 6,48 re-possessions was the peak. These have gradually decreased to where there were only 1,941 in August of this year, August, 1937, was
