GOOD ROADS mean everything to all

of us. Michigan's top-ranking automotive
industry depends upon good roads. Our second
most important industry—the tourist business
—could not exist without them. Agriculture
thrives only when farm products can be rushed
to markets over good roads. Business prospers
as these basic industries prosper.

On election day you will vote on Amendment
No. 3, the Good Roads Amendment. Here's
what a "yes" vote means to you: As a wage
earner "yes" means more jobs; as a farmer
"yes" means good farm-to-market roads; as a
business man "yes" means more business, and
as a taxpayer "yes" means a brake on your
property taxes. To your family, Amendment 3
opens up new fields of safe and healthful
recreation.
