"Christian Science" will be the subject of the lesson-sermon in all Christian Science churches throughout the world on Sunday,

throughout the world on Sunday, December 25.

The Golden Text (from Isalah 9:2) is: "The people that walked in darkness have seen a great light: they that dwell in the land of the shadow of death, upon them

light: they that dwell in the land of the shadow of death, upon them hath the light shined."

Among the Bible citations is this plassage (John 14:12): "Verily, relly, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father."

Correlative pasages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (F. 28): "Divine Truth, Life, and Love gave Jesus authority over slackness and death. His mission was to reveal the Science of celestial being, to prove what God is and what He does for man."
