Do not send garments home unless you are sincerely considering keeping them. Try and have complete confidence in anything you are buying at the time you are buying it and you will find that your dollar will go farther. This will make for a happier consumer next year, according to Hester Fraser of the Consumers' Bureau.

Christmas candles started the fire in 1889 which razed Detroit's Tilden High School and killed several students.

The Detroit Tigers wore the American League pennant in 1907, '08, and '09, but not again until 1934.

Russell vipers are considered in the tropics to be more deadly than cobras, according to Aylesworth, Commissioner for the 1939 Golden Gate International Exposition, now in the Orient.

While making maps showing the comparative size of Australia and the United States, staff artists of the 1929 Golden Gate International Exposition found that Australia was larger by 505 square miles.

**FAUROT HERO  
OF COSTER CASE  
RECORDS SHOW**

Plenty of persons are turning up now who say they knew all along that "F. Donald Coster," the eminently respected head of McKesson & Robbins, was Philip Musica; the swindler. So, undoubtedly, before long the grotesque fiction of his birth certificate in Washington and his "Who's Who" biography would have been exploded and his record and identity proved. But

from the fact that he was able for so long to masquerade as Costello, though in a position of great trust and prominence, and at the same time to include his entire family in the concealment, one can imagine the obstacles in the way of a complete proof but for one item—the print of his fingers taken when he was held for the collapse of his

tion arose as to the extent of its predation, combined with demand from sportsmen who enjoy bobcat hunting, however, although there is no price on the bobcat, it is protected.

Predatory animal contracts issued up to Oct. 1 this year totaling 1,223 on which bounties amounting to \$24,970 were paid. Included in the take were 1,293 coyote hides and 20 wolf hides. The coyotes were made up of 187 males, 43 females and 280 pups. Thirteen of the wolves were males, 10 were females and seven were pups.
