Murphy: pared the appropriation to \$3,500,060 to be turned over to the department in installments the last one of which was due in April. With the approval of the department, the last session of the legisture suspended the appropriation from the general fund for the next four years.

ICE CREAM IS MOST POPULAR IN HOT WEATHER

Although ice cream has expanded in popularity in more than a century of American tradition, it is not weather in Michigan and other states that lends to demand. Once the dairy product was a curry, but now the average consumption by each person is estimated at \$24 yourst samually. Because of the size of the state dairy industry, those in this state likes surpass that annual figure, it.
