Every day, micro-organisms too small to be seen cause tremendous spoilage loss of foods. Therefore, several commercial packers are beginning to use lethal light rays to sterilize and pre-insure the keeping qualities of their products. This attainment grew directly out of research on ways to sterilize refrigerators. The answer seems to be that foods should be made sterile before entering a refrigerator. Woman Ancier Very Skillful

#### HIGHWAY IS DEDICATED TO FORMER GOVERNOR

FORMER GOVERNOR

State Highway Commissioner
Murray D. Van Wagoner approved
this week a proposal of the Grand
Ledge common council that M-43
from Lansing to Grand Ledge be
designated "Frank D. Fitzgerald
Memorial Highway" in tribute to
the late governor and one-time
department.

The approval followed a highway department staff meeting in
which the future of the road was
discussed. It was decided to offer
department facilities to Grand
Ledge officials to aid in landscaping a place at the Grand Ledge
terminal of the highway for a
Fitzgerald marker.

Umprovement of the highway,
Van Wagoner sald, would depend
on any action of the next congress
in providing tunds for highway,
construction. The commissioner's
approval was subject to review
by the state administrative board.
