Mozambique Population STATE BEGINS

Mozambique Population
Retards Modernization
With an area nearly that of Texas
and Louisiana combined, Mozambique, or Portuguese East Africa,
has a white population of less than
25,000, says the National Geographic
society. The native population, of
many tribes, is about 4,000,000, or
less than one-third the population of
New York state.

cooperators and the state highway department. An act of the 1923 legislature imposed axid loading restrictions on trucks of various types and restriction of trucks of various types and prosecutions against truck divers for repeated offenses recently were nearing when the department appealed directly to the trucking companies.

'They were act copies of weighmaster's peiperts showing occasions when drivers were stopped willie operating improperly loaded or overloaded trucks. Companies themselves were asked to police themselves were asked to police. New York state.

Despite the unusual fertility of the soil, navigable rivers and proximity to the ocean, with ample harbors, development of Mozambique was

to the ocean, with ample narrowing development of Mozambique was long retarded by hostile natives wild animals, bog-bound rivers and milaria. A century ago 34 but of every 40 Europeans died there of fewer. Today, with ordinary phedulitins, farmers; miners and biters, have little fear of fever. Mozambique's more than 1,400 miles of African cast coast, opposite he island of Madagascar is, now dotted with cilies: and Joyns. Deer Were Valuable

Deer Were Valuable
Deer not only provided food and
clothing for the early American pioricers, but, in many instances, lodging, hunting implements and even
tiple. of course, vention was and
inportant food to the early settlers
and almost everyone is familiar
with the old buckstin jackets. Jacktines, someiot of the early settlers
ing implements for cutting door,
in vigwams covered with anslived in wigwams covered with the
deer as did her compilines
made bowstrings from the diags. I and
look another per of their provis and
bas hooks from the antiers, of the
sinew, gristle and hooves of the
Geer.

History of Probabilion
President Wilson vetoed the Volstead act, the probabilion has passed
by congress early to October, 1919,
to provide the Volto probabilion and the Volstead act, the probabilion amendment. But the Eighteenth amendment that been adopted in the usual
manner; that is, congress had approved the form of the proposed
amendment and submitted it to the
states for ratification or rejection.
The Volstead act was repassed by
congress, lover President Wilson's
veto, on October 28, 1919. The Eighteenth amendment was submitted to
the states, by congress in Determber the states by congress on December 18, 1917. On January 29, 1919, the secretary of state proclaimed its adoption by 36 states, and declared it in effect on January 16, 1920.

YOUR VOICE...YOUR BEST VALENTINE

Many people are likely to disagree with the old saying that "absence makes the heart grow fonder." They have found it quite the other way Affections, like friendships, must be kept in repair. And the telephone Anectons, like mensamps, must be kept in some special somebody on Valentine's Day, call her (or him) on the telephone. It will take your voice, a personal gift, across the miles. And there is at a case on record where a telephoned Valentine has failed to make two hearts glow with added friendliness. Long Distance rates are lowest nights after
