Land Sale To Continue On Monday

Residents of Farmington and the surrounding area who are interested in buying parcels of land to be offered at the state land sale, are advised that the Oakland County sale will begin Monday.

Scheduled to start last Tuesday, the sale was postponed pending a decision from the State Land Office Board. One parcel was sold Tuesday and one will be sold each day until Monday, to keep the sale open.

The State Board agreed to withhold tax delinquent property from "caveatmen" if it requested to do so by the close of business preceding the day at which the property actually goes on sale.

Under a ruling by the Michigan Supreme Court, lands may be withdrawn by a municipality at the request of a property owner and the land board will be obliged to give a deed to property owner who pays up the back taxes.

Auditor General Vernon J. Brown said the decision was reached because the State Supreme Court's opinion did not allow municipalities sufficient notice of take advantage of a year's grace period in the decision. Brown said the decision would help hundreds of property owners who had forgotten to pay a tax for a single item or for a single year.

Such an owner may now apply to his county treasurer to have the property withheld from the sale and redeem it by paying any back taxes on taxes for 1935 and prior years, plus interest and penalties. This gives the property owner the opportunity to do so if he applies to the treasurer by the day before his property comes up for sale.

Friday morning the seventeenth parcel on Page 2 will go on the block. There will be no sales on Saturdays. Next Monday the sale will cover the balance of page 3 and page 4 of Book 1. Tuesday's sale will cover the balance of Book 2. There will be no sales Wednesday or Thursday. Thursday is a legal holiday, Washington's birthday. Because buyers have 24 hours in which to pay for lands bought at the sale and there might be a large question of payments on a holiday, the sale will not be held on day preceding a legal holiday.

HIGHWAY OFFICIAL IS GUEST OF EXCHANGE CLUB

The Exchange club will attempt in a body, the basketball game Friday evening at the high school gymnasium between Farmington high school and Keego Harbo high school.

Charles Hayes, a member of the Michigan State Highway Department, gave a very interesting talk before the club, at the meeting Wednesday night. Mr. Hayes presented two widely-known moving pictures, depicting the beauty of Michigan's scenery and work which the highway department is doing for the benefit of Michiganders as well as out-of-state visitors.

Many surprising facts concerning Michigan's tourist trade were revealed by Mr. Hayes, one of whom visitors each year than either California or Florida supposedly the nation's tourist centers. The tourist trade, said Mr. Hayes, spends \$200,000,000 in the state each year, making it the second ranking business of the state.

In his talk Mr. Hayes outlined the way in which the highway department spends the money allocated to it through the collection of gasoline tax and weight tax. Approximately \$25,500,000 in gasoline tax money is handed over to the state department each year, he said. The county road bureau gets about \$19,000,000 yearly from the collection of weight tax.

Pictures shown were "Winter Comes to Michigan" and "Highway Adventures." Present at the meeting were 16 past presidents of the Farmington club.

Prompt Purchase of Auto Plates Urged by Kelly

Preparations for the greatest sale of automobile license plates in the history of Michigan are complete, Harry F. Kelly, Secretary of State, said this week. "Few motorists realize the extent of preparation necessary to handle a business approaching \$20,000,000.00 in license plates alone. The bulk of this business will be done between now and March first," Kelly added.

"Since the 1940 license plates were placed on sale last October, fewer than 400,000 sets of license plates have been issued. This brings us to the tremendous task of issuing more than 1,540,000 sets of license plates between now and the first of March. I want to urge every motorist to purchase his plates as early as possible."

By so doing, they will not only benefit themselves by not having to stand in line, but will enable the department to operate without increasing the payroll," Kelly continued.

"Delay on the part of the motorist, in purchasing license plates in the past has resulted in a last-minute rush, which made it necessary for the secretary of state to hire outside help. This additional payroll can be eliminated if the motorist will buy his license plates early," Kelly continued.

Application blanks are available at all branches of the secretary of state and at all automobile sales rooms. No license plates will be issued without title of ownership. If a title cannot be found, the owner must make application for a duplicate title. Care should be taken that the motorist's serial numbers on the application correspond with those on the car and the signature of the applicant are the same as those on the former application, as these items are particularly checked. Duplicate titles cost \$1.00, the same as original titles. Every duplicate title application must be accompanied by a statement as to what happened to the original title.

Your Certificate of Title is a valuable document. Have it with you when you apply for your 1940 license plates. Buy your plates early and avoid the last minute rush with its accompanying discomforts.

Tax Payments Ahead of Last Year

Collection of township taxes is slightly ahead of last year's figures at this time of year, according to Mrs. Loretta Cox, Township Treasurer. As high as fifty per cent has been paid in some divisions, notably the Township tax, the County general tax, and the Welfare Emergency Relief tax, said Mrs. Cox.

Collection of township taxes was begun December 21, and the figures released by Mrs. Cox represent collections up to and including January 15, or approximately the first three weeks. Since then additional payments have swelled the total in some cases to well over fifty per cent.

Township taxes were spread to the amount of \$6,821.84. Of this \$2,558.41 had been collected by January 15. The spread for County general tax was \$19,238.44 and \$8,331.57 of this has been paid. County debt tax totaled \$1,763.92 this year and \$2,170.34 last year. The spread for this tax was \$2,170.34. A total of \$2,273.83 was spread for Welfare Emergency Relief and Mrs. Cox has collected \$987.23 of this.

Lowest percentage of collection in the Drain tax, where only \$234.00 of a total spread of \$5,591.99 has been collected.

The school districts, on the whole, have kept up their tax payments in good style, said Mrs. Cox. Following are the collection figures as of January 15:
