VAN WAGONER TO SEEK SUPREME COURT DECISION

Stato Highway Commissioner Murray D. Van Wagoner announced this week he would seek a
supreme court decision on the responsibility for maintaint is canceled state trunkine mili see.

Van Wagoner said he whold sak
the attorney general to follow out

that official's suggestion in a recent opinion; and obtain a declarantly judgment! He said his latention was to clarify "once and for
all' in the public interest whether
the county road commissions were
responsible for keeping the former
trunkline mileage in serviceable
condition.

Meanwhile he said, counties
would be billed for work done on
the canceled mileage by state
maintenance crews under due-

ency conditions in all instances where counties have refused to accept unaintenance responsibility. The second of the country road, commissions is clear, "Should the court decide maintenance on these roads is the departments" responsibility, then our

thenance on these roads is the de-mirtment's responsibility, then our duty is clear, and we will give the same quality of maintenance ser-vice on these roads as is given on the entire trunkline system."

SAFETY DRIVE TO BE SUPPORTED BY SI ORGANIZATIONS

State Highway Commissioner Murray D. Van Wagoner an-nounced this week that \$1 organ-itations of Michigan had promised

nounced this week that \$1 organitations of Michigan had promised
full support and participation in
the Michigan State Wide Safety
Gonference to be held in Landing
May 22 to 22. Van Wagoner is general chairman.
Tentative jurgiram arrangements
also announced this week call for
emphasis on school and general
public safety problems on the first
day will feature highway and
street safety problems, and the
third day will be given jover to
home and industrial safety. The
honguet will be held on the evening of the final day.
The huge safety exhibit is being
arranged in connection with the
fonference. Van Wagoner said
that all space available had already
elupinent from all parts of the
nation would assemble their most
modern products in Landing for
demonstration during the sessions.
It is estimated that the Conference will attract an attendance of
approximately \$400 person.
