part of their profits to help the Center. On Sept. 16, 17, 18 the Top of the Tee Golfing Range, on 14 Mile west of Orchard Lake, will contribute half of its net profits for the three days to

shag ball engineers and automatic ball washers. Actually, Blair is chief maintenance engineer which puts him in charge of cigarette butts, clean up detail and weed pulling. All these jobs

FOR THE CENTER — Top of the Tee will donate half its proceeds to the Farmington Community Center on Sept. 16, 17, 18. Shown at the range are: (from left) Harry Stultz, John Oaque, Brian Bowman, Robert Orians and Bob Estler, golf pro. (Evert photo)

the Center. THE TOP OF THE Tee is owned by the William Bowman family of Farmington and is a family venture with Mrs. Barbara Bowman, mother of four, managing the range. "This is surely different than my days as a surgical nurse but I'm having fun doing it," she says. The Bowman sons, Bill, 12, and Blair, 10, are tractor drivers.

are supervised by Brenda Bowman, age four. THE BOWMANS feel golfing should be a family affair and hope area families will use this enjoyable way of helping the Farmington Community Center. "This is a good opportunity for our boys to learn responsibility and some facts about the business world," says Mrs. Bowman.

"We hope to begin a new way for businesses to donate to the Community Center," her husband adds. "In a year when many business profits are less than normal, this seems to be a logical and mutually beneficial way to help our Center."

"We feel that it is good business to support the Community Center which is really performing a great service for Farmington residents. "It would be well for each business to evaluate their own ability to participate in such a cooperative effort with the Community Center, keeping in mind the promotional benefit to the business itself as well as performing a civic service. Hopefully this will result in doing good while doing well."

BOWMAN HAS long been an active leader in the community. He is executive vice president of the Thompson-Brown Co. and a past president of the Farmington Chamber of Commerce and Farmington Exchange Club. He has been a board member of the Community Center and a member of the YMCA executive committee. He is listed in the 1965 edition of "Outstanding Young Men in America," will appear in "Who's Who in the Midwest" in their forthcoming edition and is a director of New Horizons for retarded young adults.

Bob Estler, Top of the Tee golf pro and former assistant pro at Shenandoah Golf Club, will be on hand to assist anyone with golfing problems. He has taught golf at Eastern Michigan University. The range will be open from 10 a.m. to 10 p.m. on Sept. 16, 17, 18 and buckets will be sold at half price between 10 a.m. and noon.
