What is the most tiring part of housework? Steps . . lendless trips What is the most tiring part of housework? Steps ... encless trips back and forth, up the stairs and down again. You can avoid many of these with an extension telephone. In addition to convenience, it gives you much greater protection in case of fire, prowlers or other emergency. And it also gives you and your guests more than the state of t

privacy when making or receiving calls. The monthly charge amounts to less than 3 cents a day; there is a small installation charge.
