## Civic Plans Wide Variety Of Pictures

Are you a lover of good entertainment? Do you most enjoy the great epics or do you prefer something in a lighter vein? Are you a lover of the wild and woolly west and all the rip-snorting gun-toting characters who once roamed the plains? Or perhaps you prefer the glory of the trials and tribulations of family life, or maybe you like to let your spirits soar into the clouds with the daring aviators of our day. Or perhaps you are one who seeks romance and "escape" from routine daily living in the scenes taken from the lives of the idle rich. Or perhaps you are one who finds it impossible to stray far from the portals of home, and yet you yearn to travel in far-off lands where all sorts of fascinating and romantic characters are awaiting you.

All this and more, too, you may experience by visiting Farmington's new Civic Theatre, for here you will find the world's finest entertainment, from every movie studio, with all your favorite stars. The cream of the picture crop will be shown, bringing tears, laughter, excitement and adventure. Everything will be yours to enjoy at a minimum cost.

The new Civic Theatre, located on Grand River avenue, opens Friday, September 28, offering Farmington a new amusement center. This new and ultra-modern theatre is designed to bring the best in entertainment to the entire family. With a seating capacity of 700, and the best in sound reproduction and visibility, you are assured of a pleasant evening when you visit the Civic Theatre. Regardless of the weather, the new scientifically tested cooling system will insure your comfort while you enjoy the fine entertainment.

## Roomy Popular Civic

Movie-goers about the time they first sink into the comfortable, soft seats of the new Civic Theatre. They stumble over the seats in the rows that are placed in the theatre that means they are a football seat! And if you're fans who are kind of picturing to enjoy whether you're a mystery or a be able to find you want be have 'em all. And there which is got into out of conditioning. Civic will be say cool we enter the theater just the right. And here's ing to win a Civic. They for those per hearing. Seats can be heard aside for per hearing. Cor sued to regul! We'll be st
