Coin Club To Auction At the Center

FARMINGTON Coin collectors are being invited to attend meetings of the Farmington Coin Club which meets twice a month in the Farmington Community Center.
The club meets at 7:30 p.m. on the first and third Monday of each month in the Center which is on the west side of Farmington Rd. between 10 and 11 Mile Rds.
As a special feature, the club will be holding club auctions as a part of their regular meetings.
Although you must be a member to place coins in the auction, says Norbert Ratajsky, club secretary, anyone attending the meeting can bid for coins.
"This is an excellent way for the novice collector as well as the experienced numismatist to acquire at well below dealer prices the coins needed to complete their collections," says Jerry Fitzgerald, club auctioneer.
Some of the coins in previous auctions are U.S. commemorative half dollars, silver crowns from foreign countries plus many miscellaneous U.S. and foreign coins ranging in price from 10 cents to \$50.
The Farmington Area Naturalists will meet Monday, Sept. 27, at 8 p.m. Neil Travis will speak on "Mechanisms of Bird Migration" and refreshments will be served.
The newly organized Coin Club will meet Monday, Oct. 4, at 7:30 p.m. and the Camera Club will meet Tuesday, Sept. 28, at 7:30 p.m.
The Fifty-Plus Club has a new day, Thursday, and will meet weekly from 10:30 a.m. to 2:30 p.m. to socialize, play cards, hear programs, and take trips.
A new Ham Radio Club will hold its organizational meeting Wednesday, Sept. 29, at 8 p.m. Tom Engardie, W8BHE, is the moving spirit behind this club.
Armchair Travelers, under leadership of Mrs. Ben Vandenberg will meet Friday, Oct. 1, Mrs. Walter Frontczak will show pictures from the

Ecologists Addressing Gardeners

FARMINGTON The impact of human technology on the ecology will be discussed when Dr. Paul Tomboulain, chairman of the department of chemistry and coordinator of environmental studies at Oakland University, presents a program for the Farmington Garden Club on Monday, Oct. 4, at 1:30 p.m. in the Farmington Community Center.
Dr. Tomboulain, who is a trustee of the Eastern Michigan Environmental Council, is currently doing research on inland lakes. His lecture is entitled, "Wildlife and Environmental Control."
Dessert will be served at noon followed by a business meeting. The program is open to the public and anyone interested in gaining more knowledge about man's impact on his environment is invited.

Forest PTA Hearing Pets

The opening meeting of the Forest Elementary School PTO will be held Wednesday, Oct. 6, at 8 p.m. The meeting will take place in the multi-purpose room of the school which is located at 3454s Old Timber Road, Farmington.

Highlight of this get acquainted session will be a talk entitled "Forest School 1971-1972" presented by Walden Petz, principal. Peto will bring parents up to date on changes, problems and challenges the school faces during the coming year. A question and answer period will follow.
All parents are invited to take this opportunity to become reacquainted with their child's school. Refreshments will follow the meeting.
