 tribution towards the National De-
 fense Program.

Registration blanks may be ob-
 tained from Comrade Frank Wein-
 berg, 33719 Grand River avenue,

WORLD'S ONLY DRIVE WITH
 NO CLUTCH TO PRESS!...
 NO GEARS TO SHIFT!

WHEN you see the Hydra-Matic emblem on the "car

 drive that's backed by the big-
 gest name in motordom! Two—
 the drive that does things no
 other drive can do! No other
 drive in the world completely
 eliminates the conventional
 clutch and clutch pedal. No
 other gives completely auto-
 matic shifting through all four
 forward speeds. And no other
 makes driving so simple, easy
