

American Legion

Notes

**Groves-Walker Post News**  
The meeting was well attended Thursday night, November 27. Three new members joined the Post. The membership is one of the largest it has had in the Post received their charter.

Wm. Carpenter, our unemployment chairman, reports that he has secured work for four more veterans this past week. This is good going and it is appreciated by all. The card party was well attended Saturday night, November 28, and a nice time was had by all. Sorry not to see some of the other members of the post attend these parties. It would be a pity to see some of them get the habit. The ladies go to a great deal of trouble to make this an evening of real enjoyment.

Frances Niles, daughter of the Commander of the Post, is now up and about, and it is hoped that we will see Frances at some of the social meetings soon. She always does her part to brighten up every affair.

The date has not been set as yet when the party for the American Legion football team will be held. A good time is planned for the team. Carson Baldwin is chairman of this committee, and will be ably assisted by Alfred Smith and Alfred Jocke.

It is being told around that some of the comrades are out to better their average in the bowling league. Not from what I heard, "but maybe so." But that game of 70 I heard about, kind of makes me think someone is slipping.

A letter was read to the members from Commander George Lee who is in the Veterans' Hospital at Battle Creek.

The next meeting of the Post will be December 11 and it is hoped that a good many of those that have missed the last few meetings will be there, for a great many things that are vital to the Post will be under discussion. It is hoped that a directory will be completed soon of those in service now, to be hung in the Post Office. Through the cooperation of the Boy Scouts, and the Groves-Walker, Post this directory is made possible.

The midwinter conference of the American Legion Department at Michigan, will be held in Pontiac December 5, 6 and 7. The big Wreck of the 40 and 8 is to be Sunday, Dec. 7.

17th District News

The 17th District will meet December 5th at 7:00 p. m. for dinner at Park Island, Lake Orion. Charlton-Polan Post will be host to this district meeting.

Let's hope that many of our state comrades will take advantage of this opportunity to observe the fighting, 17th in action.

Did you listen to the radio program over WEXL Saturday, November 22 at 1:30 p. m.? W. B. Gamble, Commander of the 17th District, gave a nice talk on the history of the Charlton-Polan Post of Lake Orion.

The Groves-Walker Post of Farmington, are still out after those new members. By the way, they are out to reach the century mark in order that they may have four votes in the District.

Dedication of the Post flags at Birmingham of Post 14 was well attended and it was a very impressive service. Leon L. Church, chairman of the Groves-Walker Post and Frank W. Lewis, adjutant, and Mason Giberson, vice commander of the district, also Ed Karow, vice commander of the Ferndale Post, were in attendance.

Charge them that are rich in this world, that they be not high-minded, nor trust in uncertain riches, but in the living God, who giveth us richly all things to enjoy.—1 Timothy 6:17.

WEST FARMINGTON Mrs. Sarah Knapp

Mrs. Rose Mulligan of Aiyce Kay Road opened her house Thursday, November 27, for an all day Extension Group meeting. A very interesting lesson on cereals was brought to a group of about 20 ladies. The study of vitamins and nutrition for growing children and the entire family, was the topic of the day.

Mrs. George Heliker entertained the Walled Lake W.C.T.U. ladies at her home on Maple Road, Tuesday afternoon.

Mrs. Charles Heliker entertained about 20 ladies at a brush demonstration meeting Monday afternoon.

Mrs. Nicholas Sarantus of Detroit were Sunday dinner guests of Mr. and Mrs. Irvin Knapp.

Miss Martha Senkel of Detroit called on Mrs. Augusta Tamm, Sunday evening.

Mr. and Mrs. Arthur Green opened their home Monday evening for the meeting of the trustees of the North Farmington Cemetery. About 15 people attended the meeting.

Froggers Grab Big Ones for Gourmets

Louisiana Yields Million Pounds Yearly.

NEW ORLEANS. — Leather-skinned fishermen nightly are poling their pirogues along the banks of Louisiana's sluggish bayous in search of the gourmet's delightful giant green bullfrogs.

They are only part of the army of fishermen from Florida, Tennessee and Missouri and other states that make their living catching the giant frogs from fresh water marshes and shipping them to big cities.

Louisiana, boasts, however, that the largest and best eating frogs come from the southwestern section of the state. Rayne lays claim to the capital city, but Morgan City and other towns in the area also are heavy producers.

The state department of conservation, in figures released recently, said that 1,285,000 pounds of frogs were caught in 1939.

The United States bureau of fisheries says that no complete statistics of the domestic catch of frogs are available for Louisiana. However, the bureau said Louisiana "unquestionably is one of the most important of producing states" for frogs.

Methods for catching the big green fellows differ in the many states, but in Louisiana such implements as the spear and gte have been prohibited by law.

It wasn't humanity, but economic reasoning that prompted adoption of the Louisiana frog catcher, a tongue-like instrument with wooden handles and claw-like jaws.

Conservationists discovered that too many frogs were being gigged or speared and then released when the frogger found they were too small for the market. Most of these frogs die.

Committee To Acquaint Parents With Guidance

Members of the Farmington Parent Teachers Association are formulating plans whereby parents of boys and girls in the High School Guidance Groups, will become more thoroughly acquainted with the guidance work being done in the school.

Mrs. H. Colebank is acting as chairman of the High School parents committee in charge of the project.
