CHRISTMAS IN OTHER LANDS IS CLUB TOPIC

On Wednesday afternoon the Farmington Woman's Club met at the home of Mrs. E. L. Cook, for a program on the subject of "Christmas in Foreign Lands." Guests of the meeting were natives of Korea, China, Roumania, and Mexico, who described the manner in which Christmas is celebrated in their homelands, and illustrated with native songs and legends.

This is the second meeting of the Club featuring music, the first being the organ recital of Dor Miller at the Evangelical Church, with vocal solos by Mrs. Leo's Gillemeister and little Lenore Gillemeister.

Tea was served following the meeting. Mrs. Forrest Dickerson was chairman of the hostess committee for the day.

The next meeting of the Woman's Club will be held on January 21 at the home of Miss Helen Hard.

Items of Interest to WOMEN

Plastic Curtains—Delicate But Durable

Featured recently in the New York Modern Plastics Show were delicate transparent shower curtains, like the one pictured above. These "Krene" Shower Curtains, made of a new synthetic water-proof material, wear extremely well despite their luxurious appearance. They are not coated and will not crack, mildew, peel or rot. A damp cloth will remove finger marks and soap spots. They come in lovely dark colors and pastel shades to harmonize with any color scheme. These curtains are now available locally, together with matching ruffled window curtains.

Human felicity is produced not so much by great pieces of good fortune that seldom happen, as by little advantages that occur every day.—Benjamin Franklin.

Self-ignorance, self-will, selfishness, lust, covetousness, envy, revenge, are foes to grace, peace, and progress; they must be met manfully and overcome, or they will uproot all happiness.—Mary Baker Eddy.

Happiness is not a reward—it is a consequence.—Ingersoll.

The fruit of the Spirit is love, joy, peace, long-suffering, gentleness, goodness, faith, meekness, temperance: against such there is no law.—Galatians 5:22, 23.

SAMPLE FAIR ATTRACTS MANY TO HIGH SCHOOL

Approximately five hundred people attended the Sample Fair given last Friday night by the P.T.A. in the High School auditorium.

The program began with a travel picture, and selections by the High School band. Following the award of the numerous door prizes the audience filed past the semicircle of tables covered with the hundreds of samples donated by various business concerns. Everyone present received a share of the samples, and in spite of the unexpectedly large attendance, no one was overlooked.

Largely responsible for the success of the Fair was the hard work of the Ways and Means committee of the P.T.A. Mrs. Earl Whitman, chairman of the group, had as her fellow-workers Mrs. Bayard Tupper, Mrs. Foster Stewart, Mrs. Warren Joy, Mrs. J. A. Edgar, Mrs. Norman Lee, and Mrs. Delos Hamlin.

Members of the local Girl Scouts also assisted in distributing the samples.
