The flames traveled back to the rear of the house, and the entire back of the house was burned and scorched. Damage was estimated at about \$3,000.

Hilbren Home Burns, Last Thursday evening a fire started in the Carl J. Hilbren home some time between eight and nine o'clock. A large pile was burned in the floor of the living room, and articles of furniture and clothing were slung in various parts of the house, even upstairs.

The house was covered by insurance, but the furnishings were not. Mr. and Mrs. Hilbren and their two children, are staying with their daughter, Mrs. Richard Russell until the house can be repaired.
