There is NO priority on Careful Driving

Last week, honor was paid to 106 Michigan Bell employees in Detroit who have driven telephone company vehicles for 10 or more years without an accident! Combined distances driven by those men equal 574 times around the earth—without a scratch!

Michigan Bell employees are instructed, and cooperate enthusiastically, in safe driving! In the National Emergency, safe driving takes on added significance, for it is an important means of conserving cars, tires and gasoline.

GIRL SCOUT NEWS

The Girl Scouts of Troop 8 elected troop officers on March 3. Shirley Ann Edgar and Janet Quick were elected patrol leaders. Janet Louys was elected scribe. These officers will serve until sometime in June. The girls have completed their homemaking course under the direction of Mrs. Ward Estes, and have earned their Foods, Hostess, and Cook badges.

The 30th anniversary of the Girl Scout organization, as well as the troop birthday, were fittingly commemorated by Troop 1 at a birthday party held Thursday at the home of Mrs. F. M. Hewitt. A potluck supper was served, and as a special treat, a huge birthday cake bearing 30 candles. The girls are working on their first aid kits, and are busily engaged in painting cigar boxes and filling them with the required emergency first aid equipment. Some of the girls are practicing their roles for a play, to be given in the near future. As a special activity of Girl Scout Week, the troop plans to attend church Sunday in a group.

Elizabeth Johnson and Marian Gustafson have been appointed flag bearers for Troop 5. The girls of the troop are being taught to knit by Mrs. G. Earl Silver, and are making squares for an afghan which, when completed, will be presented to the Red Cross.

Novi Mothers' Club Sponsors Program

The Novi Mothers' Club are sponsoring an educational program for parents. Mr. Ford L. Lemler, in charge of vocational education at the University of Michigan, will discuss visual education, including the use of motion pictures in education today.

The program will begin at eight o'clock in the Novi School Auditorium, on Tuesday evening, March 17. All fathers, as well as the mothers, are invited and urged to attend.
