Passing in the third lane on a four-lane highway, on US-16 in New Hudson cost Ignatius Sitpak, 6156 Commonwealth, Detroit, \$5.00 fine and \$5.00 costs.

John P. Mining, 4309 Proctor, Flint, was charged with passing on a hill. He paid \$7.50 costs.

Charles Holton, Main Street, Harland, pleaded guilty to a charge of violating under the influence of intoxicating liquor on US-16 in Lyon Township. He paid \$50.00 fine and \$10.00 costs.

Allowing an unlicensed operator to drive a car at Ten Mile and Evergreen, cost William H. Walsh, 20116 Rosemont, Detroit, \$5.00 for costs.

Raymond H. Crossland, 239 Elmhurst, Highland Park, paid \$5.00 costs for having no brakes on a four-wheel trailer.

A \$50.00 fine and \$10.00 costs were paid by Sidney Lee Pinkerton, 12225 Detroit, for driving under the influence of intoxicating liquor, on Northwestern Highway at 12 Mile Road.

D. J. Mills, 32205 Shiawassee, Farmington, was given a suspended sentence when he failed to stop at Brookdale and Grand River.

Improper overtaking and passing on a hill on US-16 in Lyon Township brought a \$5.00 fine and \$5.00 costs, for Martin Charles Schulz, 1554 Belvedere, Detroit.

William Stasienko, 13552 Sawyer, Detroit, paid \$7.50 costs for passing in the third lane of a three-lane highway on US-16 in Lyon Township.

# SCHOOL PROGRAM IS ANNOUNCED

(Continued from Page One) ing along this line to their students.

The significance of preparation given in the schools today is that if the armed forces are relieved of doing some of the elementary phases of training or if the period of such training can be shortened, the Army and Navy can concentrate more of their attention upon development of the more specialized knowledge and skills so necessary to competency in military aviation.

Thousands of lives may depend upon the promptness with which the contribution is made by the schools.

Some of the topics outlined in the course are aircraft structures and identification of military aircraft, aerodynamics, power plants, communications, meteorology, aviation and instrument, gliding, theory of flight and field aeronautics. Mathematics and physics are directly related to the course, but there is also considerable material included which would be entirely new to a mathematics instructor.

Although the course is obviously designed to fit into the present emergency need, it will also develop into a permanent class in the school.

# DANCING LESSONS GIVEN FREE ON CIVIC STAGE

There's an added attraction over at the Civic Theatre each Saturday now, for Evelyn Kreason is giving free dancing instructions to all the children before the Saturday matinee. Every child buying a ticket to the theatre will receive a free dance lesson.

All children nine years of age or older will get their lesson from 1:00 to 1:30, and those from five to nine years old, will have their lesson from 1:30 until 2:00. At two o'clock the regular show will start, and of course, the tickets purchased for the dance lessons entitle the child to see the show.

Evelyn Kreason, head of the Evelyn Kreason School of Dancing, gives her personal attention to all of her students. She has danced and taken lessons since she was three years old, and was an understudy and student of Frances Wadsworth, noted dancing teacher. She is qualified to teach tap, ballet, toe and acrobatic dancing. Private or group lessons are given at the Civic Theatre by appointment on Saturday mornings.

In Memoriam  
In Memory of Mrs. Myrtle Graham, who passed away August 31, 1941. Our hearts still ache with sadness. Through the year we have shed many a tear.

God knows how we have missed her. As today ends the first long year.

In our hearts, her memory will linger. As the years pass by one by one. There is not a day, dear Myrtle that we do not think of you. Loving husband and children.

Leads Sugar Beet Production  
The first successful American sugar beet factory was established in Alameda, Calif., by E. H. Dyer in 1879. Nine years later Claus Spreckels built the second successfully operated beet sugar factory, which, in that year, manufactured 1,000 tons of sugar. Today California leads in the production of beet sugar.

Six-Antlered Deer Found  
A doe with six-pointed antlers was killed by Winthrop Nunnally of Atlanta, at Sea Island, Ga.

# YOUTH GROUPS WILL MEET SUNDAY EVENINGS

The Youth Group of the Farmington Methodist Church met on Tuesday evening, with Audrey Lathrop in charge. The next meeting, which is Tuesday, September 1, at 7:30 p.m. in the church, is in charge of a committee of Jane Leech, Marietta Lamb and Mary Ann Isley.

This group has been meeting each Tuesday evening through the summer. Beginning with the first Sunday in September, the High School League will meet every Sunday evening, as they did last year. There will be two groups this year, one for High School age, and the other for sixth, seventh and eighth graders.

The Book Club of the Methodist Church will meet on Wednesday evening at the home of Mr. and Mrs. Robert Chapman. Mr. Chapman was elected president of this group at their last meeting. Members read one book a month, and hold regular meetings and social groups at the homes of the members. Anyone interested is always welcome at these meetings.

Rev. Howard Busching addressed a meeting of church school officers, teachers and members of the board of education, at the Howell Methodist Church on Monday evening.

# ONE CONTRIBUTION MADE BY THESE BLOOD DONORS

All of the following blood donors made one contribution to the Red Cross Mobile Unit when it visited Farmington.

Patricia Lapham, Lillian Saunders, Gladys Scullard, Fr. Dunstan Schmidlin, Harry Schoenberger, Mrs. Barbara Schultz, Paul Shoemaker, Mrs. Olive Smith, Mrs. Mary Smith, Mrs. Lillian Silver, Robert Snyder, Mrs. Edna Slaks, Mrs. Edith Sonnenberg, Roy Sonner, Mrs. Betty Stanley, Monos Stanley, Isabelle Steele, Mrs. Mabel Stevens and Mrs. Catherine Swarthout.

There are still a few more names to appear. It's time to start thinking about the next visit of the Mobile Unit, too, for it will be here on September 25.
