

American Legion

Notes

By F. W. Lowrie

Installation will be held on Thursday, September 24, at eight o'clock, for the 1943 officers of the Milford, Detroit-Redford, Plymouth and Farmington Posts in the High School Auditorium. The public is invited to attend this program.

Have you any more old photographs, records, that you are willing to give, in order that the boys overseas can have music? If so, call Farmington 1842, and someone will call for the records, or you may leave them with the Chief of Police, Joseph DeWendt, at the City Hall. These records are needed. Will you make an effort to get your in?

The Legionnaires have been of great assistance in helping the Civic Theatre to sell Bonds and Stamps. The Legion is only too glad to be of assistance in any worthwhile enterprise.

Let's get in the scrap drive, some way, some how, some place—but get it in. Do everything possible to see that the scrap comes in.

You can get The Enterprise for only \$1.50 a year

SERVICE NOTES

Walter R. Dickerson, 24041 Hanes, was recently graduated from the naval training school for electricians at the University of Minnesota. Dickerson was one of the highest ranking members of his class. With the completion of preliminary work in this vital line of service, Dickerson will be assigned to a naval shore station, or to a ship of the fleet for sea duty.

Mrs. Light, of 22684 Brookdale Avenue, will hold open house on Sunday, September 27, for her son, Irving, who is entering service immediately.

Irving was a graduate of Farmington High School with the class of 1938, and also assistant scoutmaster for several years. All his classmates and the Boy Scouts he worked with are invited to the open house.

Walter Norman, who is training in the Ordnance Division under Capt. Howard Otis at Camp Perry, Ohio, was home for the week-end.

Thomas McArthur, who has joined the marines, left for Long Island, N.Y., at 5:50 p.m. Saturday.

Mrs. William Zwargen

Mrs. Lily Looper, the new occupant in what is known as the Appman house, is leaving this week for a vacation in Baltimore. A son in the service expects to be on leave at that time and to meet her there.

Due to the illness of the regular kindergarten teacher, Mrs. Etta Anderson was substituting in Pierston School last week.

In honor of her thirteenth birthday, Miss Shirley Ault enjoyed a modest little theatre party last Tuesday night. Arrangements were made by her sister, Miss Dolores Jean Ault.

Mrs. J. W. Ault, or "Grandma Ault" as she is commonly known, cut the prize melon of her little patch Sunday. This melon was of unusual size for this locality, measuring more than twenty-three inches in length and thirty-five inches in diameter. This melon for weeks had been watched with great interest by the young people of the neighborhood and some were on hand to sample it.

Mrs. Harry Roughland spent the week-end visiting with relatives in Brown City.

Mr. and Mrs. William H. Zwargen were dinner guests Saturday

of their son and family, Mr. and Mrs. William D. Zwargen of Detroit.

The Sunshine Sisters met at the home of Mrs. Ernest Tallman on Wednesday afternoon. Sixteen adults were in attendance. Little Joan Grace, three weeks old daughter of Mr. and Mrs. Cecil Willets was duly presented to the ladies. During the devotional service a happy thought was presented by each of those present. These were the little sunbeams which it was hoped would aid all to scatter more sunshine during the next two weeks. A letter was read from Robert Hunter, one of our soldier boys located at Tacoma, Wash. Friendly greetings from the sisters were ordered sent to Captain Robert Hunter and to the son of Mrs. Irene Eggensberger, as well as birthday greetings to Dale Tallman, all three boys being somewhere in the service. "Happy Landings" was sung for Harvey

Fuerst, a neighbor boy who entered the armed forces last week. Birthday greetings were extended to two of the Sunshine Sisters, Mrs. Schult and Mrs. Edgington. Light refreshments were served, after which the ladies adjourned to meet again in two weeks.

Mr. and Mrs. William P. Lovett of Detroit were the Sunday afternoon guests of Mr. and Mrs. William H. Zwargen.

Visitors in downtown Detroit Saturday included Mr. and Mrs. Emerson Ault, daughter, Lora Anne, Mr. and Mrs. Edwin Johnson, Mrs. Russell Ault, two daughters, Dolores Jean and Shirley, and Miss Freda Ault.

First and second graders were placed on half-day sessions in Pierston School last week. It is hoped soon to find relief for the crowded situation.

Mr. and Mrs. Ernest Tallman were Sunday guests of Mr. and Mrs. Norman Ross of Jackson, Michigan.

No Special Favors!

Harry F. Kelly is considerate. He is fair-minded. He is helpful. But special favors—at taxpayers' expense—they're OUT!

You remember the low-number automobile licenses that used to go to a privileged few. They seemed harmless—but they cost the State of Michigan \$90,000 a year.

As Secretary of State, Kelly instituted a UNIFORM numbering and issuing system—eliminating "trick" licenses, giving every automobile owner BETTER SERVICE, speeding check-ups by law-enforcement officers and saving taxpayers more than a quarter of a million dollars.

As GOVERNOR, HARRY F. KELLY will continue his policy:
