

MAIL SOLDIERS' XMAS GIFTS BEFORE NOVEMBER 1.

READ THE RULES—The following rules, issued by the Postoffice Department in cooperation with the Army Postal Service of the War Department, apply to the mailing of Christmas parcels for members of our Armed Forces serving outside the continental limits of the United States.

TIME OF MAILING—Christmas parcels and greeting cards should be mailed during the period beginning October 1 and ending November 1, 1942, the earlier the better. Each package should be endorsed "Christmas Parcel." Special effort will be made for delivery in time for Christmas.

SIZE AND WEIGHT—Christmas parcels shall not exceed 11 pounds in weight, or 18 inches in length or 42 inches in length and girth combined. However, the weight has been urged to cooperate by voluntarily restricting parcels to the size of an ordinary shoe box and the weight to six pounds.

USE CARE IN PREPARATION—Remembering the great distance this mail will be transported and the necessary storage and frequent handling, it is absolutely necessary that articles be packed in substantial boxes or containers and be covered with wrappings of sufficient strength to resist pressure of other mail. Each parcel is subject to censorship and delay may be minimized by securing covering to permit ready inspection of contents.

PROHIBITED MATTER—Inflammable materials, poisons or compositions likely to damage mails are undesirable. No perishable matter should be included in parcels.

HOW TO ADDRESS PARCELS—Addresses must be legible. Parcels addressed to overseas Army personnel should show in addition to the full name and address of the sender, the name rank, Army serial number, branch of service, organization, A.P.O. number of the addressee and the postoffice through which parcels are to be routed. Units located within the continental United States may be addressed direct using name, rank, organization and location.

POSTAGE MUST BE FULLY PREPAID—The rate on parcels of fourth-class matter (exceeding eight ounces) being the same rate applicable from the postoffice where mailed to the postoffice in the care of which parcels are addressed.

GREETING MESSAGES—Permissible—Descriptions such as "Merry Christmas," "Don't open until Christmas" and the like may be placed on the covering of the parcel if it does not interfere with the address. Cards may be enclosed and books may bear a simple dedicatory inscription.

INSURANCE AND RECEIPT—Gifts of value should be insured. Articles of small size and considerable value should be sealed and sent as first-class registered mail.

MONEY ORDERS—The Army Postal Service recommends use of postal money orders to transmit gifts of money to members of Armed Forces outside the United States. These are cashed at A.P.O. in local foreign currency at rate of exchange on date of presentation.

American Legion

Notes

By F. W. Lowrie

Arrangements have been made to hold the annual feather party at the Town Hall on November 21. This is the Monday before Thanksgiving. This party is sponsored by the Groves-Walker Post of the American Legion. Dressed fowl will be available through the local markets for those who win. Present plans call for a pre-sale of tickets, available soon.

Members of the Legion will assist in the scrap drive, October 12 and 13. All the air raid wardens of the Township and City will be in charge of their area to see that all scrap is picked up and in the hands of the O.C.D. on these dates. Carl Goers, chief air raid warden, will have charge of this phase of the drive.

A last call is being made for old records for the boys in service. Call 1342 at once if your old records have not been picked up, or if you have additional records that you care to donate. New records will be made from the scrap obtained from old records, at cost of production by record manufacturers.

Seventeen members of Groves-Walker Post and the Auxiliary attended the 17th District meeting last Friday night at Ferndale, and were rewarded by a stirring talk by Commander Robert K. Wright of the Department of Michigan. Those who heard him will long remember his words.

The post has again entered the American Legion Bowling League at Birmingham. Charles Elkins is captain, and those on the team are Fred Schaupeter, Alfred Smith, Ford Niles and Joseph DeVriendt. The team is asking for assistance from other members of the post, in order to keep the team going at top speed. Where are those other bowlers that last year secured admittance to this year's team?

Keep on buying those BONDS and STAMPS. Let's get all the scrap in. Do everything that will help promote that VICTORY we all are praying for.

Big Cartoon Party Will Begin At 1:30
